MADAGASCAR UNDER REIGN OF TERROR

U. S. MOTORISTS FACE DRASTIC GAS RATIONING

Two and One-Half to Five Gallons a Week Likely Allotment; East Affected First

By The Associated Press

WASHINGTON, April 23 — Heads of five top-ranking war agencies told motorists flatly today that the government no longer would risk lives of American seamen "so someone will have gasoline to go to a bridge party or a ball game."

Following swiftly on yesterday's announcement that gasoline rationing would begin May 15 in 17 eastern states and the District of Columbia, the joint statement declared "motoring-as-usual is out" in that area, possibly for the duration of the war.

Semi-official estimates of the probable ration allowances ranged from 2½ to 5 gallons a week to 25 gallons a month.

Petroleum Coordinator Ickes declared later there was "no justification" for anticipating that eastern motorists would be limited to as little as 2½ to 5 gallons of gasoline a week.

Announcement of the plan brought a sharp protest from William A. Thibodeau, general manager of the Automobile legal association. He telegraphed Price Administrator Leon Henderson from Boston that the proposed limitation was "wholly out of proportion with the hardships which are imposed on other sections of the country."

Cites Canada Situation

He asked why Canada "apparently is able to receive more shipments of gasoline for motorists from the United States than we in the coastal states," and said:

"While we do not expect that a 'business as usual' policy can be followed in times such as these, we do expect any necessary restrictions to be imposed by a fair and impartial manner."

Collaborating with Henderson in the strongly-worded summary of policy were Donald M. Nelson, WPB chairman, Petroleum Coordinator Ickes, Chairman Emory S. Land of the maritime commission, and Defense Transportation Director Joseph B. Eastman.

"Already hundreds of men have lost their lives at sea trying to bring in the oil needed for war," their statement said. "No patriotic American can or will ask men to risk their lives to preserve motoring-as-usual."

The "meal-ticket" ration system beginning next month will operate for 45 days, and will be supplanted about July 1 by "a more elaborate and comprehensive coupon rationing system," OPA announced. Ration cards will be issued each motorist, on presentation of an automobile registration card, during a three-day registration period beginning May 12.

Trucks Not Affected

Trucks and commercial vehicles will not be affected. Special provision will be made for doctors, war workers, and other exempt classes.

The ration cards will contain seven squares, each representing an amount of gasoline the cardholder may purchase. As purchases are made, service station attendants will punch, tear off, or mark a square. One or more of the squares—up to the entire seven—may be used up at one time, but OPA cautioned that no additional cards would be issued

QUICK ACTION ASKED ON DEFENSE AREA

Col. Huling Asks War Dept. To Arrange Conference.

Steps to speed action on Marion's application for defense area housing ratings that would clear priority problems related to building houses for defense workers were taken today by Lt. Col. John Huling Jr., commanding officer of the Scioto Ordnance Plant.

As the result of a delay of more than two weeks, Col. Huling today addressed a letter to the chief of the ordnance department in Washington asking him to arrange for a conference with the proper housing authorities to be attended by himself, Mayor Russell Snare and D. E. Mackelmann of Cleveland, assistant regional coordinator for the National Housing Authority which is an agency to coordinate the activities of various federal housing agencies.

Col. Huling's letter informed the war department that he, Mayor Snare and Mr. Mackelmann are

Marion Star's Society Editor Honored by International Business Sorority

Miss Edna S. Dutton Is Given Honorary Membership by Chapter.

—Photo by Hughes

MISS EDNA S. DUTTON

First honorary membership in Zeta Theta chapter of Alpha Iota sorority, international honorary business sorority, was bestowed on Miss Edna S. Dutton of 275 South Vine street, society editor of The Marion Star, when the chapter held a combined first anniversary and initiation banquet last night in the presidential suite of Hotel Harding.

The certificate of honorary membership with the sorority crest engraved in gold was "given in recognition of her professional achievement."

It was presented by Miss Josephine Yagodic, president, at the close of a ceremony in which regular membership was granted 10 pledges, Miss Mary Pettit of Bucyrus, and Misses Virginia Crabtree, Jean Davis, Mable Elliott, Elizabeth Music, Leta Poling, Ruth Rowland, Ona F. Rowland and Rosella Sheehe and Mrs. Mildred Fout, all of Marion.

International Group

The sorority has more than 17,000 members in the United States and Canada. Among the large Ohio chapters are those in Toledo, Cleveland, Akron and Columbus. Cleveland will be the scene of the national convention July 3-5 and the Marion chapter expects to send representatives. Ohio chapters will entertain the convention.

The Marion chapter is sponsored by the Marion Business college. At present all the members are former students who are employed.

Before Miss Dutton could be considered as a candidate for honorary membership, it was necessary for the chapter to forward a statement of her qualifications meeting the standard, "professional achievement," to national executive headquarters. The preliminary step was taken without Miss Dutton's knowledge, and the national organization immediately granted the Marion chapter's request for her recognition as an honorary member. The invitation to accept the honor came as a surprise to Miss Dutton.

With Star 26 Years

Miss Dutton, a member of The Star staff for 26 years, has long been active in civic and social affairs of the city, usually serving in a capacity coordinated with her works as society editor and reporter.

Professionally, she is a member and past treasurer of the Ohio Newspaper Women's association and is a member of the Marion Altrusa club, women's service club, serving this year as chair-

FOUR-YEAR-OLD GIRL VICTIM OF ATTACK

Lured Away by Abductor for "Bicycle Ride."

A four-year-old girl was raped last night about 10:30 near her home in the east section of Marion by an abductor who lured her away with promises of a bicycle ride.

Police Chief William E. Marks said today no description of the girl's abductor has been obtained. He said patrolmen were summoned to the girl's home about 11 p. m. after she had returned and told her father of the incident.

The father told police the child had left the apartment where she lives to buy some candy at a place of business near by. He said that when she failed to return soon he was immediately concerned.

He reported that the child told him a man or boy accosted her and asked her if she would like to take a ride on his bicycle. According to the story told police, she accepted and he took her several blocks away to the railroad tracks.

Patrolmen said they were notified by the girl's father as soon as she returned home. They went to the home and immediately notified a physician. The girl was taken to City hospital in a police cruiser.

Her condition today is reported as fair by the attending physician.

It is reported she told her father the abductor was not as big as he (her father). Police said her father is about five feet, eight inches tall and of comparatively slight stature.

CONG. SMITH ENTERS RACE

Seeks Reelection, Calling for War Victory, Protection of Constitution.

Congressman Frederick C. Smith of Marion today announced his candidacy for renomination on the Republican ticket in the August primaries.

The announcement came from Washington with a brief statement. Congressman Smith said:

"If reelected I shall continue to do all I possibly can to win the war for America, protect our Constitution and preserve our Republic.

"So that our soldiers and sailors shall not have died in vain, I shall continue to oppose the forces, and efforts of persons who now are using their positions and the rich opportunities afforded by the war crisis to make our government over into a totalitarian or Communistic state."

He is now serving his second term in congress, having been first elected in 1938 and reelected in 1940. He has been active in congressional committee work, especially on the house banking and currency committee. He has repeatedly spoken on the house floor during debates on proposed legislation.

In a series of talks given in recent weeks at various points in the district, he outlined his views on a number of issues including his plea for economy in non-defense federal spending and a call for 100 per cent cooperation of labor and industry in the war effort.

Prior to becoming congressman, he served one and one-half terms as mayor of Marion, resigning as mayor midway in his second term to take over his first term as congressman.

In the 1938 campaign he defeated Brooks Fletcher, Democrat, who is the only other candidate to announce for congress so far. In 1940 he won over Kenneth Petri, Galion attorney.

The district Congressman Smith represents embraces Marion, Morrow, Wyandot, Hardin, Crawford and Hancock counties.

DR. F. G. SMITH GETS ARMY COMMISSION

Assigned To Captaincy; Clinic Hospital To Be Closed.

Dr. Frederick G. Smith of 378 Durfee drive has been commissioned a captain in the medical corps of the United States army and has been ordered to report May 6 in New York City to the commanding officer of the North Atlantic division.

The order to report for active duty came in a telegram this morning.

His leaving for service will mean that the hospital section of the Frederick C. Smith clinic will be closed the first week of May, he said. It was reopened last fall to relieve crowded conditions at City hospital.

Dr. J. W. Bull and members of the regular staff will continue to keep the office open for medical patients.

The clinic laboratory, approved by the department of health for pre-marital blood tests, will remain open under the supervision

NAZI RESERVES CALLED TO HELP LAUNCH DRIVE

Russia Reports Many 17 to 18 Year Old Youths Pressed Into Service.

By The Associated Press

Adolf Hitler, who is believed to be trying to fulfill his long-heralded offensive, has called up a total of 1,900,000 fresh reserves, an official Russian spokesman said today as Stockholm dispatches reported increasing German nervousness over the prospect of an allied invasion of Europe.

The Soviet spokesman, S. A. Lozovsky, said the Nazi reserves called to bolster Hitler's winter-battered armies included 900,000 youths of 17 and 18 years in two new military classes.

Meanwhile, British RAF warplanes celebrated the feast day of St. George, the patron saint of England, with a smashing new assault on the German industrial Rhineland and the docks at Le Havre in German-occupied France.

During the night, big guns on the English channel coast also boomed across Dover strait and continued firing for about 30 minutes.

The aerial thrusts against Hitler's rhineland war foundries and Le Havre capped yesterday's spectacular raid by British commandos who landed on the Nazi-occupied French "invasion coast" near Boulogne, cut German communications and probed enemy fortifications for two hours.

Admit Some Casualties

The Nazi high command acknowledged "some casualties" and material damage in western Germany, but declared that German night raiders struck back with an attack on an English south coast munitions factory which caused "violent explosions."

The Germans said five RAF bombers were shot down. The British said four planes were missing.

On the Russian war front, Soviet dispatches reported that the German armies in the Ukraine, heavily battered in recent weeks, had abandoned their counter-attacks and changed tactics to a defense of fortified positions.

The significance in this lay in well-informed military predictions that Hitler's long-heralded offensive would strike its heaviest blows on the southern flank, in a drive toward the oil-rich Caucasus. Now, according to the Russians, the Germans' preliminary "feeler" thrusts have been crushed and the Nazis forced back on the defensive.

Hitler's field headquarters re-

CHARLES W. KRAMER ILL

Charles W. Kramer of 565 Vernon Heights boulevard, who has been bedfast for the last week, showed no improvement today, it was reported. His condition is regarded as serious. Mr. Kramer is the retired mechanical superintendent of The Star office.

Experienced Army Men and 3 Widely Known Companies Guide Activities At War Plant

Work Progressing Under Direction of Large Corps of Experts.

CAPT. ROBERT W. LOCKRIDGE
Area Engineer

LT. COL. JOHN HULING Jr.
Commanding Officer

J. Z. BURGEE
Resident partner,
Holabird & Root

S. E. HUNKIN
Vice President,
Hunkin-Conkey Construction Co.

Two firms widely known in the building construction world and army men with long records of service are charting the Scioto Ordnance Plant through its preliminary construction stages.

The two firms building the plant have pooled their resources to form a join engineer-architect-management organization for the huge undertaking. They are Holabird & Root, architect-engineers, of Chicago and the Hunkin-Conkey Construction Co. of Cleveland.

Both concerns maintain large organizations and are widely known for projects they have completed over a long period of years.

Holabird & Root render professional services of architect and engineer, also providing consulting and construction supervisory services. The present firm is made up of three partners, John A. Holabird, John W. Root and J. Z. Burgee, the latter now located in Marion to direct his organization's activities on the ordnance plant project. The firm was founded in 1882 as Holabird & Roache.

Over 7,000 Projects

It has furnished architectural and engineering services on approximately 7,400 projects exclusive of any defense or government undertakings. These private projects represent some $800,000,000 in construction costs.

The firm served as architect-engineer for Camp Grant and is associated with Moran, Proctor, Freeman & Muser as architect-engineer for an army base at Jamaica, British West Indies. The company's headquarters are in Chicago, with a branch in New York City and for the time being in Kingston, Jamaica.

Some of the projects for which it has served as architect-engineer are the Chicago Daily News building, Chicago Board of Trade building, Deshler-Wallick hotel in Columbus, Stevens Hotel and Palmer House in Chicago, Soldiers Field Stadium in Chicago, stadium and field house for the University of Illinois, North Dakota state capitol building, a number of county courthouses and postoffice buildings.

Headed Housing Projects

Mr. Holabird served as chief of a commission of 10 architects for the Jane Addams and Trumbull Park federal housing projects in Chicago.

In addition to the force of approximately 200 men the firm has in Marion, it has about 125 men at Chicago, 140 in New York and 60 in Jamaica.

Some of the multitude of services performed by an architect-engineer organization include making of topographical and other surveys and maps, arrange for test borings and other surface investigations, prepare preliminary studies, sketches and layout plans, adapt government specifications, prepare final designs, detailed work, drawings and specifications and supervise construction.

The Commanding Officer

Col. Huling brings to the Scioto Ordnance Plant project a back-

Oklahoma Flier Took Up Last U. S. Plane in Defense of Bataan

Lieut. Jack Donaldson Says Japs Made Americans' Last Days on Peninsula a Nightmare.

By CLARK LEE
AP War Correspondent

ALLIED HEADQUARTERS, AUSTRALIA, April 23 — The United States army air force fought to the end on Bataan peninsula and, with the Japanese only a few miles away, sent its last flyable plane into the air to attack and attempt to check the enemy's final advance.

That plane was flown by Lieut. Jack Donaldson of Tulsa, Okla., who has arrived safely in Australia. He told this story of his flight:

"The last days on Bataan were pure hell. The Japs bombed our field day and night, plastering our headquarters dugouts, gasoline stores, munitions dumps, and everything else in the vicinity.

"The night raids did little damage but kept us from sleeping or repairing our few remaining planes.

"On April 8 the Japanese completed their break-through along the shores of Manila bay and were driving rapidly toward our last air field at the southeastern tip of Bataan. We had a single plane left.

"It was decided to make an effort to check the Japanese [illegible] I was chosen to fly the [illegible] pursuit plane.

"I [illegible] fragmentation bombs, filled the guns with ammunition, and hopped off in the early evening. Flying up the eastern (Manila bay) shore of the peninsula, I was over the Japanese position within a few minutes.

"I located the enemy advancing on foot and in vehicles down the coast road and dove on the columns, letting go my bombs at a low altitude and returning to strafe the lines until my ammunition was exhausted.

"The Japs quickly opened fire and tracers floated all around the plane. I felt several bumps but did not believe I had been hit badly.

"I circled and dove for about an hour altogether and then, with bombs gone and guns empty, headed for another point where I had been ordered to [illegible]. I never had been there [illegible] have a map, but I [illegible] could find it in the [illegible]

"After a long [illegible] what I believed [illegible] tion, but every[illegible] out completely [illegible] ing any [illegible] huge [illegible]

Freezing of All Retail Prices Reported Due Soon

Blanket Limit Believed Ready for Substitution of Present Plan of Individual Item Control.

By The Associated Press

WASHINGTON, April 23—The office of price administration was reported by usually reliable congressional sources today as ready to freeze prices on an over-all basis soon in contrast to the present method of establishing ceilings on selected articles.

The far-reaching move in the drive to check the rising cost of living, which may be announced next Tuesday, would fix all prices at their levels on a certain date, but would permit any necessary "readjustments" later.

Agriculture department authorities predicted many important food products, including butter, cheese, evaporated and condensed milk, eggs, poultry, flour, corn meal, fresh fruit and vegetables, would be exempted because the farm prices of the raw products involved are below the minimum ceilings of the price control law. A ceiling probably will be placed, however, on retail prices of fluid milk.

Turn To Baruch Plan

The blanket method of price freezing, advocated last year by Bernard Baruch, economist-financier, was incorporated by youthful Rep. Gore (D-Tenn.) in his attempt to place a ceiling over wages and rents, as well as all prices, last November. Recently back from Canada, which adopted a similar proposal, Gore said that it had succeeded in reducing slightly the cost of living there.

Both Rep. Steagall (D-Ala.), chairman of the house banking committee, which handled the price legislation last year, and Rep. Wolcott (R-Mich.), its ranking minority member, expressed belief that the price freezing could be accomplished without writing new laws.

[illegible] likely [illegible] farm bloc [illegible] to the present [illegible] to prevent sale of farm products below 110 per cent of parity.

The price order, affecting retail, wholesale and factory prices, is to be announced by Administrator Leon Henderson, capital sources said.

This would follow immediately upon the announcement by President Roosevelt of his comprehensive curbs for rising prices, expected next Monday.

Vital Part of Program

The price order would be a vital part of this program and

War Stamps Sale in Stores Set To Start Tomorrow

"Buy war stamps with your change" will be the byword in a group of Marion stores Friday and Saturday when Marion women occupy special stands and booths in a campaign to increase the sale of stamps.

The women will be on duty from 10 a. m. to 5:30 p. m. Friday and from 10 a. m. to [illegible] p. m. Saturday.

Two additional selling spots were announced today, the R. D. Luke Hardware Co. store, in charge of Mrs. J. D. Williamson's Methodist church group, and the Great Atlantic & Pacific Tea Co. store in charge of a [illegible] group headed by Mrs. George [illegible].

The women will represent the federated clubs, King's Daughters circles, Catholic and Protestant church organizations, patriotic auxiliaries, sororities and lodge auxiliaries.

Arrangements for the two-day campaign, the second of its kind in recent months, were made by Miss Maud Gorham, chairman of the women's division for the sale of stamps and bonds in Marion county, and Earl T. Smart, chairman of the retail group of the Marion Chamber of Commerce.

LAVAL ORDERS ALL DE GAULLE BACKERS HELD

Allies Fear New Premier Will Turn Pacific Island Over To Japs.

By The Associated Press

A virtual reign of terror on the key French island of Madagascar, with the arrest of hundreds of De Gaullists, was reported today amid quickening speculation that France's new pro-German Premier Pierre Laval may be planning to turn the island over to Japan.

The world's fourth largest island, Madagascar lies off the east coast of Africa athwart vital allied lines of communication with India. "Madagascar is not being defended against Japanese infiltration and it cannot be defended against Japanese invasion," said dispatches reaching London.

Dispatches to the Daily Express in London from Tananarive said Governor-General Armand Annet had arrested hundreds of DeGaullists on orders from Pierre Laval, Vichy's new chief of government and proponent of collaboration with Germany.

Annet's own secretary, as well as other members of the island administration were among those arrested.

In Washington, informed sources again suggested the possibility of a complete diplomatic rupture between the United States and France.

These sources pointed out that the United States' firm policy toward the Laval collaborationist regime has won such support in French circles that five members of the Vichy embassy and consular staff in Washington have already resigned in protest against Laval's pro-German machinations.

Annet was quoted recently as saying the island would be defended against any aggressor and the Madagascar radio has denied any Japanese or German encroachment.

Philippine Reports

In the Philippines, a Tokyo broadcast reported that between 500 and 600 American-Filipino troops were still holding out in the jungles of Mount Baloy, the highest peak on Panay island while other last-ditch allied defenders continued to fight on Timor island in the Dutch East Indies.

A Tokyo broadcast said except for holdout fighters on Mt. Baloy, Japanese troops had broken all resistance on Panay island, in the central Philippines.

An allied communique said briefly:

"Our forces are in contact with the enemy in southern Panay island."

Mt. Baloy is in the center of the island.

The Tokyo radio also asserted that Japanese troops on Bataan peninsula, where Lieut.-Gen. Jonathan Wainwright's exhausted armies surrendered on April 9, had captured 53,400 prisoners including 8,533 Americans between April 3 and 20.

The broadcast said the defenders had left 5,000 dead on the Bataan battlefield during that period.

Fighting in Timor

Gen. Douglas MacArthur's headquarters in Australia said Australian and Dutch forces were still battling the Japanese in the interior of the half-Dutch, half-Portuguese island of Timor, 400 miles northwest of Australia. No other details were given.

On the Burma war front, a new crisis developed on the Chinese-held east flank of the allied defense line as Lieut.-Gen. Joseph W. Stilwell's Chinese troops slowly fell back under the assault of numerically superior Japanese invasion forces.

The Chinese acknowledged the fall of Pyinmana, 150 miles south of Mandalay, and indicated that their forces at Loikawa, 65 miles to the east, were in desperate straits. A communique said the Loikawa garrison, under violent assault since dawn Monday, was counter-attacking in an attempt to thwart a Japanese encircling movement, and reported heavy casualties on both sides in fierce hand-to-hand fighting.

On the other end of the Burma front, in the west, the Chinese reported they were holding stoutly after recapturing the town of Yenangyaung, in the heart of the burned-out [illegible] oil fields. A British communique yesterday said a [illegible] around Yenangyaung [illegible] the withdrawal of British [illegible] across the [illegible] river.

Payments of December Realty Tax in Marion County Reach High Total

Recent Settlement Figures of Auditor and Treasurer Amount to $428,067; Many Delinquencies Paid.

Last December's real estate tax collection period in Marion county was one of the most satisfactory in recent years, it was disclosed when the county auditor and treasurer recently reached their tax settlement and the money was distributed to the county's political subdivisions.

The collection amounted to $428,067.25, which was "122 per cent" of all of the new real estate taxes levied for that collection period. Actually, 98 per cent of the new taxes were paid and the remainder of the collection came from payments of delinquent taxes.

The collection represents a slight increase over a year ago.

A checkup with city, county and city school officials indicated their shares of the tax money were slightly in excess of the amounts they anticipated from the collection, and that they would be able to carry on the financial programs they had outlined earlier in the year.

Distribution Details

Of the total, $82,229.03 has been apportioned to the county; $14,548.94 to the townships; $224,934.36 to county schools; $102,558.88 to cities and villages; $1,655.94 for roads and ditches; $764.97 for township roads and $1,384.13 for municipal pavements, sewers and sidewalks.

Auditor's and treasurer's fees turned over to the county amounted to $6,242.62.

Inheritance tax collections for the six-month period ending April 14 totaled $6,086.11. Local tax districts received $3,493.06 of this, $422 went to the probate judge, $209.58 for auditor's fees, $69.86 for treasurer's fees and $2,781.61 the balance due the state.

Districts' Shares

Taxation districts received the following amounts (less such items as election expenses, workmen's compensation fees, health funds and advance drafts): Big Island township, $1,203.45; Bowling Green township, $1,010.27; Claridon township, $1,396.61; Grand township, $941.76; Grand Prairie township, $792.58; Green Camp township, $727.41; Marion township, $1,908.84; Montgomery township, $1,056.05; Pleasant township, $1,098.59; Prospect township, $1,039.52; Richland township, $959.47; Salt Rock township, $905.93; Scott township, $736.43; Tully township, $912.87 and Waldo township, $1,109.33.

Municipalities were allotted the following sums (less the above mentioned deductions); Caledonia, $320.33; Green Camp, $78.61; LaRue, $945.57; Marion, $102,167.45; Morral, $300.63; New Bloomington, $30.03; Prospect, $766.68 and Waldo, $610.58.

The following amounts (less deductions and drafts) were allotted to county schools: Claridon township, $6,723.80; Grand Prairie township, $6,102.16; Marion township, $8,840.51; Montgomery township, $4,580.98; Pleasant township, $14,691.97; Scott township, $4,103.09; Tully township, $5,125.25; Caledonia village, $4,598.17; Green Camp village, $8,114.26; LaRue village, $8,455.90; Marion city, $110,182.36; Morral village, $6,162.17; New Bloomington village, $5,299.64; Prospect village, $13,235.57; Waldo township, $4,393.92; Cardington, $1,384.78; Marseilles village, $1,206.78; Marlboro (adjoining), $252.50 and Crawford county, $14.46.

The Prospect park commission received $212.76.

SALES TAX FIGURES FOR DISTRICT LISTED

Decreases in Marion Co. Less Than Percentages for State.

Purchases of prepaid sales tax receipts in Marion county for the week ending April 11 dropped 5.1 per cent under the corresponding period in 1941, according to a report from the office of the state treasurer. Purchases during the 1942 period totaled $7,289.10 against $7,691.77 in 1941.

Sales in the county for the year to April 11 showed a 3.9 per cent gain over the same period in 1941. Purchases total $92,385.70.

Purchases for the week ending April 11 in the state totaled $951,813.90, a 35.1 per cent drop. Purchases for the entire year to April 11 totaled $13,877,586.87, a six per cent drop under last year's $14,712,351.83 total to the same period.

Figures for nearby counties follow. The figures in parenthesis are for the corresponding period of 1941:

Crawford—week ending April 11, $4,000.14 ($4,878.11); Jan. 1 to April 11, $54,818.42 ($62,064.65).

Delaware—week ending April 11, $2,236.74 ($2,272.28); Jan. 1 to April 11, $25,520.65 ($30,570.86).

Hardin—week ending April 11, $2,040.91 ($2,631.89); Jan. 1 to April 11, $29,835.16 ($30,331.12).

Morrow—week ending April 11, $735.48 ($696.81); Jan. 1 to April 11, $7,890.01 ($10,471.96).

Union—week ending April 11, $1,542.10 ($1,759.69); Jan. 1 to April 11, $18,475.46 ($21,049.22).

VITAL MATERIALS REPLACED IN BULBS

Westinghouse Finds Substitutes for Light Bulbs.

By The Associated Press

BLOOMFIELD, N. J., April 23 — Westinghouse Electric & Manufacturing Co. announced today [illegible] materials to replace [illegible] war metals would be used [illegible] of Westinghouse lamps [illegible] so as to maintain the [illegible] of light bulbs for essential [illegible] needs.

[illegible] civilian lamp bulbs in the [illegible] to 300-watt sizes and [illegible] industrial lamps will have [illegible] instead of brass bases this year. "Although th echange will be [illegible] to the consumer," [illegible] A. E. Snyder, assistant general manager of the company's lamp division. "To prevent corrosion these bases will be protected with a thing coating of [illegible]."

About two million pounds of [illegible] would be saved annually, Snyder said, by the substitution of [illegible] bases and other conservation measures.

[illegible] of tin has been cut by 50 per cent and will be reduced further, he said, while almost all [illegible] consumption already has been eliminated by the use of nickel-plated iron wire instead of pure nickel wire.

Manufacture of hundreds of types of decorative and display lamps will be discontinued for the duration and several types of household bulbs soon will be abandoned in favor of a simplified group of sizes and wattages.

Manufacturing substitutions were selected only after months of research and exhaustive tests, Snyder pointed out, so that light output and durability would not be impaired.

Green Camp Prepares for Vacation School

Special to The Star

GREEN CAMP — The Green Camp community daily vacation Bible school will be conducted June 15 to 26. Rev. Dale Limbert of the Methodist church will be director and Rev. Charles W. Harmon of the Baptist church, assistant director.

To publicize the Bible school it was decided at a meeting Monday to have a poster contest for two age groups and to award prizes to the winner in each group. The posters will be displayed in the churches and business places. The poster contest will close the last of May.

Sessions will be in the Green Camp school. The list of workers will be completed at a meeting May 24. The school is sponsored by the four local churches and is for all children in the community [illegible] years of age and older.

Mrs. Campbell Hostess to Martel Social Club

Special to The Star

MARTEL—Mrs. M. A. Campbell entertained the Rest-a-Bit club Friday. Guests were Mrs. Marshal McKinstry, Mrs. John Zuck and Mrs. Foster of Marion. Mrs. Campbell served dinner assisted by her daughter Mrs. Ellen Foster and Mrs. John Zuck. Contests were won by Mrs. Elma Demms, Mrs. Zuck and Mrs. Charles Rorick.

Marion Man Fined In Drunk Driving Case

William Hook, 20, of 414 Thompson street pleaded guilty in municipal court Wednesday to a charge of operating an automobile while intoxicated. He was fined $100 and costs and his driving rights were suspended six months. He was arrested Tuesday afternoon on Leader street, where police reported his car was wavering on the pavement.

BY ELEANOR ATTERBURY

CHAPTER THIRTEEN

One Light Left

FROM the front, the Miller house was darkened. As Stephanie raced up the steps, she heard Henri following, cursing under his breath as he missed a step and bumped a shin smartly.

She stabbed at the bell, heard its ring echo from the back of the house. She rang several times, insistently. No answer. Then she raised the heavy old bronze knocker, thumped it sonorously.

"That's enough to rouse the whole neighborhood," she said, but still no one responded.

"Probably gone out for the evening," Henri suggested.

"Servants too?" and went on knocking.

Finally a sound of shuffling footsteps as of one fumbling blindly. Then silence.

Stephanie called then. "Hello, there! Turn off your lights." And pounded the door again. "Turn off your lights, I say."

"Aren't you rather making yourself ridiculous," Henri protested finally.

"Ridiculous or not," she muttered and ran down the steps, around to a side door.

As she ran she looked up to the third story again. Still a blazing light like a beckoning finger. No flyer could miss that. The side door was locked too. But this time she had more success. Her frantic knocking finally brought old Mr. Miller himself.

"Well—what iss this?" he demanded, peering at her through the darkness.

"It's a blackout, Mr. Miller. And there are lights in the attic. Have them put out, at once."

He hesitated. "Lights? In my house? Well—tsk, tsk—we must attend to that. Come in, young lady. Who—"

Stephanie stepped closer. "Stephanie Merrill—you remember—I live next door."

"Oh, of course." His manner became instantly friendly. "I see you now. Come in."

"No. Thank you. But you will please get that light off, won't you?"

The old gentleman nodded. "Yes, indeed. Certainly."

She said good night, then, and went back to where Henri was waiting, not at all sure that she shoudn't have offered to go to the attic herself and get those lights off. Because apparently the servants were not on duty.

And the light still burned minutes after she had returned to her own porch.

"Well, after all, Stephanie, give the man time to climb two flights of stairs," Henri protested.

"What's become of his whole retineu of servants?" Stephanie wondered aloud.

Henri laughed. "Probably all frightened out of their wits."

All Clear

She shook her head. "Henri, I have a feeling that there is something strangely unnatural about that set-up over there."

"Have you, really? What makes you think that?"

"I don't know. Just—have a hunch."

He laughed again. "You and your hunches. You are tired, my dear, and over-wrought. I assure you Mr. Miller is as trustworthy as any loyal American citizen."

Still skeptical, Stephanie shrugged. "If he's so loyal an American, how come he lived most of his life in other countries?"

"Circumstances required that. After all, it was his career that took him away."

A long clear blast rode across the strangely silent city and was followed almost instantly by the returning flicker of lights.

"The all-clear" sounded. Stephanie jumped to her feet. "It's over!"

Behind her, the lights of her own home snapped on and a moment later, Guy burst out the front door.

"Oh hello, chicken. Glad you were home through this." He nodded cooly at Henri, went on pulling on his driving gloves. "I'm going out of town, now, dear. I'll be back—"

"Oh, Daddy, not to Titan tonight!"

His scowl rebuked her instantly. Why couldn't she remember to stand guard over her tongue?

"Let me go with you, Daddy," she urged. "You're tired. I could drive for you. Please."

He hesitated. "All right. But hurry up. I'm leaving right now."

Stephanie turned to Henri. "Good night, Henri. Thanks for bringing me home."

"Are you sure I can be of no service? I will gladly accompany you if you feel I might be useful."

"Thank you, no," Guy refused curtly. "Come, Stephanie."

Henri took his abrupt dismissal courteously like the smooth diplomat he seemed to be. But Stephanie smarted under the embarrassment long after she'd backed her father's car out of the drive, turned it cautiously down a steep hill.

"Sorry to let you down, Stevie, but I can't tolerate Pagerie. And don't go bringing him home for a son-in-law, either, young lady. Not if you want my blessing."

The Car Behind

He leaned back, pulled his hat down over his eyes, and a moment later began to breathe more heavily. Stephanie settled back for the long drive, forcing herself to relax taut muscles as much as she could.

And for as long as they followed the main highway route north and the continuous stream of traffic challenged her skill and concentration, she had no time to think. But when an hour later, she turned into the narrow, little-travelled road across rolling foothills to Titan, she felt anxiety overtake her.

The night was dark and heavily overcast. The car's headlights slashed a way through the pitch dark ahead but beyond the path of light, the deserted, barren hills and the deep-shadowed valleys seemed to lie in wait. It was ridiculous to be so nervous, she kept telling herself.

But when she realized that the car following her slowed down when she slowed, picked up speed as she did, kept a discreet distance that never increased nor shortened, her premonition of danger seemed well founded.

For a while, she couldn't be sure. But when she deliberately slowed to snail's pace—the car behind dropped back. When she stepped hard on the accelerator, sent the car swiftly ahead, the lights behind came on steadily. About twenty miles out of Titan, she tried once more to lose that persistent follower. The old road into the plant went steeply over the hill, winding a torturous way around the curves. The new road cut a straighter path. As she came to the fork, she speeded up until for an instant the lights behind dipped out of sight, then swerved quickly into the abandoned route, twisting away from the new road into a dark tunnel of overhanging trees.

She stopped her car abruptly, switched off the lights, the motor. Silence poured around them for the few moments before a car fled past, behind them, disappeared into the new cut between the hills.

"What's the matter?" Guy said, rousing himself quickly.

Stephanie started the motor. "I just had a notion we were being followed so I ducked in here to let them go on past."

"Good idea," Guy nodded. "Can't be too careful these days."

He sounded quite matter-of-fact, but Stephanie caught the over-tone of anxiety. Danger stalked Guy Merrill hourly. But why?

WALDO CIVILIAN DEFENSE PLANS SET

Division Heads Selected and Activities Outlined.

Waldo's Civilian Defense committee met Tuesday night to further plans for a defense program for the village and community. Mayor D. H. Osborn is head of the committee. Plans were outlined by Frank Edwards who took the civilian instructors' course sponsored by the state at Columbus recently.

Archie Reynolds will head the fire committee, I. O. Baker, police, C. N. Briggs, air raid wardens, Dr. B. D. Osborn, medical, Clyde Porterfield, public works and Lowell Gaston, utilities. Requirements for the duties of the various committees were read and plans discussed for an air raid practice in the near future. Approximately 30 persons attended the meeting held in the Knights of Pythias hall.

Kirkpatrick News

KIRKPATRICK — Rev. and Mrs. Donald Lyon visited Thursday in Columbus.

Miss Edith Retterer of Harpster spent the week-end with Mr. and Mrs. Harry Wittrel.

Private Wilbur Columbus of Indian Gap, Pa., visited a few days with Mr. and Mrs. Melvin Hill.

Hazel Baumgardner of Columbus visited last week with Grace Knowles.

Mr. and Mrs. Harry Retterer visited Sunday and Monday with Mr. and Mrs. Harry Wittrel en-route from Florida to their home at Cortland.

Mr. and Mrs. Charles Shields moved Monday to a farm near Richwood.

William Scott was brought to his home here Monday from Marion where he has been ill the past four weeks.

"ATHLETE'S FOOT"

Make This Overnight Test

It requires a strong penetrating fungicide to reach the germs. Many liniments and ointments are not penetrating fungicides. TE-OL solution is made with 90% alcohol which increases penetration. Feel it take hold. Get 35c worth from any druggist. Your 35c back next morning if not pleased. Locally at Eckerd's Drug Store.

Marengo Club Has Guest Party at Kittel Home

MARENGO—The Social Study club held a guest meeting at the home of Mrs. Theo Kittel Wednesday evening with 28 members and guests present. Mrs. J. M. Cockran gave a paper on the history of Gnadenhutten and the Moravian Indians. A playlet "Miss Hetty's Heir" was directed by Mrs. Eva Frost. Mrs. Edith Blake conducted a quiz program. The social committee served refreshments. Mrs. Wilma Dills played piano selections.

GIRLS' CLASS MEETS

Misses Oceal and Opal Hill of Blaine avenue were hostesses Tuesday night to the Business Girls' class of First United Brethren church. Prayer by Mrs. L. E. Walters and group singing of a hymn opened the meeting. Misses Shirley Barnhart and Maxine Baker won contest honors.

NOW SHE SHOPS "CASH AND CARRY"

Without Painful Backache

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Marion District Students Sign up for Farm Work

Boys and girls in the high schools of Marion, [illegible] and Wyandot counties who are planning to do farm work this summer to further the war effort and seniors who want to go into some branch of defense work as soon as they are graduated are being registered by the Marion office of the federal employment service.

The "Land Army Program" is the designation of the census among those who are going into farm work exclusively.

Of 275 replies to the "Land Army" census received from Marion county to date, 59 are from [illegible] and [illegible] have said they would [illegible] farm work, the employment office reported.

[illegible], juniors, sophomores and [illegible] eighth and ninth grade pupils are being included in the census.

For the most part the young people will be used at harvest time, the office reported, since many of them will be physically incapable of heavy farm work throughout the summer months.

The registration of seniors in Marion county has been completed and within a few days the seniors at St. Mary Parochial and Harding High schools will be registered.

In taking the census and making registrations, blanks were distributed to the principals of all schools. Teachers have been assisting the young people interested in signing up for summer work.

The application blanks will be tabulated within a few weeks and will be kept on file at the Marion office, available to persons interested in securing the young people's help.

MORROW CO. WHEAT VOTING PLACES SET

Approximately 150 Eligible To Cast Ballots.

Special to The Star

MT. GILEAD, April 23—Clay Renz, chairman of the Morrow county AAA committee, today announced the polling places by townships for Morrow county wheat farmers eligible to vote in the May 2 wheat marketing quota referendum.

The voting places are as follows: Gilead and Washington townships—AAA offices in Ma-[illegible] building, Mt. Gilead; Canaan township—Canaan township house; Cardington, Lincoln and Westfield townships—former offices of Morrow County Building & Loan Co. at Cardington;

Bennington and Peru townships—Peru township house; South Bloomfield, Chester, Harmony and Franklin townships — Chester township house; Perry and Congress townships—Congress township house; and Troy and North Bloomfield townships — North Bloomfield township house.

Renz said that only farmers having in excess of 15 acres of wheat are eligible to vote and that probably not more than 150 farmers in the county have sufficient acreage to be eligible.

He also stated that regardless of the amount of wheat raised, every person attempting to market wheat will be required to secure a market card if the referendum is approved.

Waldo News

WALDO—Mr. and Mrs. William Branum of Union City, Pa., visited Saturday with Mr. and Mrs. James Plotner.

Social Affairs

A DINNER and shower given by women employes of the Marion Reserve Power Co. last evening at Ringer's Inn complimented Miss Maxine Fetter, fiancee of Lieutenant Donald E. Eggleston of Randolph Field, Texas. Appointments were in red, white and blue, and Miss Fetter's gifts, which were towels, were showered from an airplane decorated in patriotic colors. Favors were miniature American flags. Hearts were played, honors going to Miss Gladys Clark and Miss Zella Coulter. Miss Fetter and Lieutenant Eggleston will be married May 2 in Randolph Field chapel, San Antonio, Texas.

* * *

MISSES BETTY FELTY and Eleanor Bowser entertained Tuesday evening at Hotel Harding for the pleasure of Miss Carol Epley, fiancee of Rex Hill of Scott Field, Belleville, Ill., and Mrs. Robert Higdon, formerly Miss Marian Todd. Table decorations were red, white and blue tapers and a centerpiece of white carnations, carrying out Miss Epley's wedding colors and favors were white carnations tied with ribbons in patriotic colors.

For bridge the appointments were in yellow and green, Mrs. Higdon's wedding colors. Awards were won by Miss Mary Ann Houghton and Miss Muriel Beresford. The honor guests were presented gifts of silver.

Present with Mrs. Higdon who is making her home in Richmond, Ind., since her marriage, and Miss Epley, were Mrs. R. A. Todd, Mrs. Mildred Epley, Mrs. C. U. Felty, Mrs. Grover Bowser, Miss Mary Ann Houghton, Miss Muriel Beresford, Mrs. Robert Wills, Miss Betty Williams, Miss Janet Quigley and Miss Lillian Cleveland.

PLANS for a pledge party Friday evening at Ringer's Inn were made by members of Beta Gamma chapter, Lambda Chi Omega sorority Tuesday evening at Ringer's Inn. Hostesses were Miss Thelma Crawford and Miss Donna Groves. Mrs. Dale Nickison gave a talk, "Are We Awake Yet?" Plans also were made for a rummage sale Saturday.

* * *

Mrs. John B. McBride entertained at her home on Chatfield road Tuesday evening for the pleasure of her mother, Mrs. Clarence L. Everett of Zanesville. Bridge was played, honors going to Mrs. B. A. Pierre. Mrs. Everett was consoled. The party appointments were in yellow and white. Guests included Mrs. Everett, Mrs. Aubrey Erskine, Mrs. Vernoll Orth, Mrs. Eldie Mason, Mrs. William Click, Mrs. Arthur Parratt and Mrs. Pierre.

* * *

Wilbert Anderson, who left yesterday for Dayton, where he enlisted in the army air corps as a mechanic, was given a farewell party Tuesday night by his brother-in-law and sister, Mr. and Mrs. Ernest Coulson, at the home of Miss Lucille Hyder of Wilson avenue. Honors in euchre were won by Mrs. George Hawkins and Mr. Coulson. Mrs. Ted Anderson and Harry Peifer were consoled. Mrs. Virgil Klingel won high honors in bunco. Present were the guest of honor and Mr. and Mrs. Ted Anderson, Mr. and Mrs. Jack Unland, Mr. and Mrs. Ray Ricinar and son, Mr. and Mrs. Virgil Klingel, Mr. and Mrs. Harry Peifer and children, Mr. and Mrs. George Hawkins and sons, Mrs. Anna Berkshire and children, Mrs. Herbert Hyder and daughter Lucille, and the hosts and family.

Personal To Fat Girls

Now you may slim down your face and figure without starvation dieting or backbreaking exercises. Just eat sensibly and take Marmola under the conditions and according to directions on the package.

Marmola Tablets have been sold to the public for more than thirty years. More than twenty million boxes have been distributed during that period.

Marmola is not a cure-all. Marmola is only for adult fat persons whose fatness is caused by a thyroid deficiency (hypothyroidism) but who are otherwise normal and healthy. We do not make any diagnosis as that is the function of your physician, who must be consulted for that purpose. Why not try to lose those ugly, uncomfortable pounds the Marmola way? Get a box of Marmola today from your druggist.

Board Arranges for City Hospital Benefit Events

MEMBERS of the Women's Board of the Marion City hospital will sponsor a Victory Book campaign in the near future and later in the season will sponsor the races and horse show at the Marion County fair, it was planned at a meeting yesterday afternoon at the home of Mrs. Francis B. Huber of Vernon Heights circle. Mrs. George DeWolfe was an associate hostess for the luncheon, business and sewing meeting. Mrs. Paul Pocock was welcomed as a new member.

During the business meeting the board voted to purchase two rubber collars for the iron lung, using money from the Margaret Parker Memorial fund, and also to purchase a technician's guide for the hospital laboratory. Plans were made for this week's collection of magazines for the hospital. The remainder of the time was spent sewing for the hospital.

There will be no meetings in May and the members will meet for their annual picnic and to close the year's work in June with Mrs. O. S. Rapp of South Greenwood street as hostess.

Cardington Woman and Lieutenant To Wed

Mr. and Mrs. Carl Smith of Cardington are announcing the approaching marriage of their daughter, Moneta, to Lieut. Raymond A. Peters, son of Mr. and Mrs. Henry Peters of Wayne.

Miss Smith is a graduate of Bowling Green State university and for the last three years has taught in the Cardington school.

Lieut. Peters is a graduate of Bowling Green State University and has done graduate work at the University of Michigan. Previous to his induction into the army, Lieut. Peters was parole supervisor for juvenile school in the state of Michigan.

The wedding will be an event of late May and after June 1, the couple will be at home in Washington D. C., where Lieut. Peters will attend adjutant general's school.

CARDINGTON BOARD CANCELS CONTRACT

Hearing Set on Charges Against Superintendent.

Special to The Star

MT. GILEAD, April 23—Following their action in terminating the continuing contract of Rolland Thompson, superintendent of schools at Cardington, the Cardington board of education has set Thursday, May 7 at 8 p. m. as the time for a hearing on charges presented by the board.

Thompson was the target of a recent unusual order of the board, fixing the superintendent's hours at the school from 8 a. m. to 5:30 p. m. daily with a half hour for lunch. It was reported that the board's action resulted from Thompson's unexplained absence during most of the week of April 6.

Thompson has been associated with the school since 1925, as principal of the high school until 1932 and since then as superintendent.

His continuing contract as superintendent was given in September of last year. Since that time three of the five board members who gave him the contract were defeated for reelection.

The charges against Thompson cover about 20 points, one board member said, but they have not been made public and the hearing before the board will not be open to the public. The five-man board voted 4 to 1 to terminate Thompson's contract on June 1.

Delaware Man Hurt When Car Hits Tree

Special to The Star

DELAWARE, O., April 23 — Thrown 10 feet from his car into the driveway of a filling station when the car crashed into a tree south of here on Route 23, Richard E. Martin, 53, of Delaware, was taken to Jane M. Case hospital early yesterday morning for treatment of multiple scalp lacerations, brain concussion and a hip injury. An employe of the Delaware Lumber Co., he was enroute to Delaware. Deputy Sheriff Earl Fravel said Martin failed to negotiate a curve in the highway and struck a small tree in front of a filling station. The car caromed off the tree and struck another about 25 feet north and continued about 50 feet before it stopped.

Flag Pole Raised With Nevada School Program

Special to The Star

NEVADA—Friday the 60-foot flag pole given Nevada school by the Upper Sandusky American Legion post was erected on the school grounds. A short dedicatory program was given.

Mrs. Liddie Bardon was hostess to the Community Stitchers club. The day was spent sewing for the hostess and the Red Cross. Contests were won by Mrs. Anna Brunni. A reading was given by Mrs. Bardon.

Mrs. Ethel Welch entertained the Bethany class Friday. The hostess was assisted by Mrs. Stella Zimmerman, Mrs. Enza Winter, Mrs. Juanita Williams and Mrs. Blanche Wilcox.

Baccalaureate services were held at Eden school Sunday. Rev. Charles Holzworth spoke on "Stamps of Education." Rev. E. E. Prescott read the scripture and offered prayer. Music was provided by the girls and boys quartetts under the direction of Mrs. Lucille Pennington, music supervisor.

SEW FOR RED CROSS

Miss Dorothy Haynes and Mrs. T. F. Beresford were hostesses when women of St. Paul Episcopal church and friends of the Red Cross met Tuesday afternoon at the parish house to sew for the local Red Cross chapter. It was announced that the meeting will continue each Tuesday at the parish house throughout the summer.

COUNCIL AT BUCYRUS VOTES BLACKOUT LAW

Ordinance Adopted To Regulate Raid Precautions.

Special to The Star

BUCYRUS, April 23—Preparing Bucyrus for possible air raids, city council Tuesday passed a blackout ordinance which gives the administration full power to order a blackout when necessary and also to appoint special policemen with authority to enter homes and extinguish whatever lights are burning.

Penalty for violators of the ordinance is a fine of not more than $500 or imprisonment for not more than six months, or both.

The ordinance provides that the city shall not be responsible for any damages arising during a blackout and all persons who sound a siren before, during or after a blackout without authorization shall be deemed violators of the ordinance.

The special police must wear badges during their service, it further provides.

Upon receipt of the traffic commission's recommendation that parking meters be installed here, council instructed Solicitor Paul Kennedy to draft a parking meter ordinance for presentation at the next meeting. Parking conditions here have been declared deplorable on a number of occasions by Chief of Police Stuckert and other officials.

LaRue and Marion Couple Exchange Vows

Mr. and Mrs. John Whitman of LaRue are announcing the marriage of their daughter, Dorothy, to Walter V. Ohler of Marion, which took place Saturday evening. Rev. C. R. McMeeken, pastor of Memorial Methodist church at Caledonia read the single ring ceremony at 8 o'clock in the parsonage. The bride wore a navy sheer redingote costume over a lighter blue and white print dress. Her corsage was gardenias. Mr. and Mrs. Ohler are making home in Marion. Mr. Ohler ployed with the Marion Shovel Co.

BAKE FIGHTIN' FOOD!
This new wartime recipe serves 8 to 10 . . . for 9c or less per serving!

Use Pillsbury's Best *Enriched* Flour
BAKE-PROVED—to protect your baking!

15 brand-new delicious wartime recipes—tuned to the times! Vitamin-packed, low-cost nourishing foods, specially planned for today's big job of feeding your family well at lowest cost—many of them complete one-dish dinners at 5c or less per serving! It's yours FREE for one Thrift Star from a Pillsbury's Best bag. Send to Pillsbury Flour Mills Co., Dept. 55, Minneapolis—today!

Here's a "fightin' food"... Complete recipe for Pillsbury's
MEAT and VEGETABLE MEDLEY

1. Sear 2 lbs. cubed **raw meat** in 2 Tbsps. **fat** till nicely browned. 2. Remove meat from fat; add 1 c. chopped **onions**, 2 c. chopped **celery**, ½ c. chopped **green pepper**; cook till lightly browned and tender. 3. Add 3 c. canned **tomatoes** gradually to 5 Tbsps. **Pillsbury's Best Enriched Flour**, 2 tsps. salt, ¼ tsp. **pepper**, ¼ tsp. **paprika**, ½ c. **corn**, drained. Turn into 2½-qt. casserole, cover; cook about 30 min. in moderate oven (350° F.). FOR WHITE BISCUIT TOPPING: 4. Sift and measure 2 c. **Pillsbury's Best Enriched Flour**. (The harder men work, the more they need B-vitamins! Pillsbury's Best contains two added B-vitamins—more essential than ever in these strenuous days for sound nerves, good appetite, the ability to stand up under hard physical activity—plus iron to help build red blood.) Add 3 tsps. **baking powder** (or 2 tsps. double-acting), ½ tsp. salt; sift together twice. 5. Cut in ⅓ c. **shortening** till mixture is like coarse meal. 6. Add 1 c. **milk** all at once; stir only till flour is damp. Drop by spoonfuls over meat mixture. (These fluffy biscuits will come toothsome and tender from the oven. Your assurance: Pillsbury's Best is bake-proved! 4 to 6 times a day during milling, Pillsbury's Best is given actual baking tests to protect your baking success. With "thrift" and "saving" the watchwords of today, you can't afford baking failures. Use Bake-Proved Pillsbury's Best—for kitchen thrift and mealtime satisfaction.) Bake in hot oven (450° F.). Serve at once. Here's "fightin' food," packed with essential vitamins and minerals necessary for good health! Give your family the benefit of a hearty, savory Pillsbury Meat and Vegetable Medley for dinner tonight!

REVISED SCHEDULE ISSUED FOR FAIRS

[illegible] Result from Cancel[illegible] of State Fair.

[illegible] schedule of county and independent fairs, prepared [illegible] Ohio State fair was canceled because of the war, was [illegible] by Mrs. Don A. Detrick, Bellefontaine, executive [illegible] of the Ohio Fair Managers association, the Associated [illegible].

[illegible] after the announcement [illegible] state fair would not be [illegible] the Marion county fair changed dates to Sept. 1-4, [illegible] fair dates.

[illegible] county fair, the Vinton county event at MacArthur, has decided to drop out this season, Mrs. Detrick said, while all [illegible] are "making elaborate [illegible] for the annual

The independent fair at Ashley [illegible]-13 will open the season. [illegible] will close with a Dec. 16-18 [illegible] at Columbus Grove. Harness racing will be featured at 72 [illegible] 90 fairs in Ohio, giving the Buckeye state more meetings than any other area.

Realizing that new problems, due to the war, will face the county events this year, a "fair clinic" has been scheduled for June 12 in Columbus at which the officials of the expositions will discuss their problems and exchange ideas.

In addition to the Marion county fair date change, the Burton, Canfield, Canton, Napoleon, Norwalk and Wapakoneta expositions have changed over to the state fair dates.

Following is the schedule of fairs in this vicinity as announced today by Mrs. Detrick:

July 12, Ashley; July 19, Richwood; Aug. 2, Plain City; Aug. 9, Urbana; Aug. 16, Hilliards; Aug. 23, Mansfield and Tiffin; Sept. 6, Croton, Mt. Gilead and Shelby; Sept. 13, Fredericktown and Upper Sandusky; Sept. 20, Ashland, Bellefontaine and Delaware; Sept. 27, Kenton; Oct. 4, Marysville; Oct. 11, Lancaster and Mt. Vernon.

TELLS OF SHORTAGE

Lieut. Gen. Brehon B. Somervell, army supply chief, is shown during his inspection of an eastern armaments plant. Addressing the workers, Gen. Somervell declared that plane and ship production is still not great enough, and that workers and industry "will have to fight with more than half measures or half hearts."

Local Draft Boards Prepare To Hold Fourth Registration

Expect 4,000 Men in 45-64 Age Group To Register This Week-End and Monday; Staffs Enlarged.

Anticipating a registration of approximately 4,000 men in the fourth draft this week-end, city and county draft board clerks today said adequate staffs have been prepared to handle the job.

Monday, April 27, was fixed by the President as the registration date for the fourth draft. However, as in the last registration in February, the state director of selective service has fixed the preceding Saturday and Sunday as additional registration days.

The additional days have been determined to enable men who are employed in vital civilian or defense work to register without unnecessary inconvenience.

The draft will include men between 45 and 64 years, inclusive.

Local Board 1, which includes Wards 1, 2 and 3 in the north and southwest sections of the city, has announced registration will be taken in the Marion Business College rooms and at the board office in the McNeal-Walford building on West Center street. Board clerks said about 20 registrars will assist with the work. It is expected nearly 1,700 will register in Board 1.

Registration Hours

Time for registration in all three of the boards will be as follows: Saturday, from 12 noon till 6 p. m.; Sunday, from 12 noon till 6 p. m. and Monday from 7 a. m. through 9 p. m.

Board 2, serving Wards 4, 5 and 6 in the south and southeast sections of the city, will register men at the board office ni the Marion Reserve Power Co. building on South Main street. Approximately 30 registrars will be employed in the work of registering, clerks said. About 1,000 men are expected to register in Board 2.

Both Boards 1 and 2 have reduced the number of registration places throughout the city because they were not needed during the February registration.

Board 3, serving the county's rural districts, will conduct registration in the usual places throughout the county. They are as follows: at the board office in the Palace theater building; in Caledonia at the mayor's office and in the council rooms; in LaRue at the town hall; in Morral at the town hall; in Prospect at the mayor's office and in Waldo at the township house. Board clerks said they expect about 1,500 will register in Board 3. Nearly 30 registrars will assist during the week-end.

Main Requirements

Col. C. W. Goble, state director of selective service, has pointed out that there are three main requirements for this registration. He listed them as follows:

(1) Every male citizen and every male alien residing in Ohio, other than persons excepted by the selective training and service act of 1940, as amended, who had attained the forty-fifth anniversary of the day of his birth on or before Feb. 16, 1942, and has not attained the sixty-fifth anniversary of the day of his birth on or before April 27, 1942, is required to present himself for and submit to registration on April 27, 1942.

(2) Registration should be made at a designated registration place of the local board area in which the registrant has his permanent home, or in which he may happen to be between the hours of 12 noon and 6 p. m. on April 25 or 26, or between the hours of 7 a. m. and 9 p. m. on April 27. This registration place may be the office of the local board having jurisdiction in the area, or other public place properly designated by that local board.

(3) Registrants must answer all questions asked by the registrar for notation on the registration card. It is important that the registrant describe his place of residence in detail as well as give full particulars as to the address at which he will be sure to receive mail or other communications.

Anyone who is unavoidably away from his home on April 25, 26, or 27 may register at the registration place most convenient on these days, the director said, but all registrants are urged to make every effort to register with their own local boards to avoid possible confusion in the future. Any person who must register away from home also is warned to carefully specify his home address so that his registration card may be forwarded promptly to his own local board.

Ill Must Report

Special registrars also will be provided to register men who cannot appear at a designated registration place because of illness or other incapacity, the director stated, but it is incumbent upon these men to advise a registrar in their local board area of their inability to appear at a registration place.

A registrant who has more than one place of residence may choose which one he wants recorded as his place of residence, but no transient address may be recorded, Director Goble declared, and a registrant who lives on an RFD route which goes through two states is required to indicate the location of his residence, rather than his mailing address.

After the registrant has answered all questions and signed his name to the registration card, he will be given a registration certificate signed by the registrar. This certificate must be in the personal possession of the registrant at all times. Failure to possess this certificate, or to show it to authorized persons constitutes a violation of selective service regulations and is considered prima facie evidence of failure to register.

Director Goble pointed out that those who register on April 25, 26 or 27 are not liable for military service under the selective training and service act of 1940, as amended. They will be required later to fill out an occupational questionnaire concerning their civilian qualifications and skills, but that is for the purpose of obtaining information only.

The fourth registration cards will not be processed in any manner until later instructions are issued to local boards on this procedure.

Preparations are being made to register approximately 30 per cent more than the third registration. All registrants will be registered on the buff colored registration cards.

There were more than [illegible] licensed radio receiving sets in Sweden at the beginning of the year.

SATO NAMED

Maj. Gen. Ken-ryo Sato (above) has been named chief of the Japanese bureau of military affairs, the Tokyo radio said, after removal of Lieut. Gen. Akira Muto. Sato is pictured when he was attached to the U. S. army at Fort Sam Houston, San Antonio, Tex., as an observer.

CHRISPIN FUNERAL

PROSPECT, April 23—Funeral services for George T. Chrispin, who died Tuesday in Lake Worth, Fla. will be conducted at 2:30 p. m. Friday at the Powell funeral home here. Burial will be made in the Prospect cemetery.

RICHWOOD SENIOR PLAY SET FRIDAY

Advance Ticket Sale for Annual Production Good.

Special to The Star

RICHWOOD, April 23— The Richwood High school senior class play, a three-act comedy, "Everything Happens To Us," will be presented Friday night at the school. The advance ticket sale has been good, the school reported.

In the cast are Jeanne Winter, Bill Temple, Anna Mary Chiesa, Guy Marsh, Louise Thomas, Glen Oman, Ruth Patterson, Bob Lehman, Virginia Hylton, Dick Meade, Ruth Wasserbeck and Ernest Wasserbeck.

Anne Lou Moore and Vona Chapman are in charge of sound effects in addition to those recorded on the school's recording machine, such as wind, rain, an approaching car and singing.

The play has been in rehearsal under the direction of Mrs. Maxine Hall. John Livingston and Donald Woods have been stage technicians and Gladys Debolt has served as prompter.

Henderson To Talk On Living Costs Tonight

The Bing Crosby Hour will switch to Washington for the last 15 minutes tonight, starting at 9:45, for a talk by Leon Henderson, price administrator, on "The High Cost of Living."

Another addition for tonight at 11:15 on CBS will be a discussion of "The Psychological War Front," in which newspapers, radio and naval men will describe the manner in which U. S. naval news is released.

Don't Neglect Slipping
FALSE TEETH

Do false teeth drop, slip or wabble when you talk, eat, laugh or sneeze? Don't be annoyed and embarrassed by such handicaps. FASTEETH, an alkaline (non-acid) powder to sprinkle on your plates, keeps false teeth more firmly set. Gives confident feeling of security and added comfort. No gummy, gooey, pasty taste or feeling. Get FASTEETH today at any drug store.—Adv.

MOVING

Moving household furniture is a highly specialized work, requiring specialized experience and equipment. You will like the careful manner in which our men handle your furniture . . . their courtesy, willingness and energy. And when you observe their skillful loading of a van, with each piece firmly padded and "joltproof," you will recognize a sincere desire to safeguard your treasures.

Everybody on Time?

By The Associated Press

BRADENTON, Fla. — It was really a family affair when Mrs. Ruby Lee Garrison of Palmetto, and her daughters, Mildred Evelyn and Annie Carolyn, were married in a triple ceremony here. One son, Horace, gave the brides away and another, Pierce, was best man for the three grooms.

FARM FAMILIES HELP OHIO WAR PROGRAM

Increase Production in Food for Victory Drive.

By The Associated Press

COLUMBUS, April 23 — Ohio farm security administration families are contributing heavily to the war program by increasing production for their own use and the "food for victory" program, A. L. Sorenson, state FSA director, asserted today.

"There are 12,000 FSA borrowers in Ohio," he said. "All of them pledged important crop and livestock increases. Of the first Ohio families who reported their 1942 farm plans, 53 of them will raise 3,355 more hogs this year, 3,135 more pounds of wool, 27,607 more chickens, 134,434 dozen eggs, 532,816 gallons of milk, 1,445 acres of soybeans and 61 acres of tomatoes."

Sorenson reported that last year the typical Ohio family under the FSA rehabilitation program increased its net worth $345 or 31 per cent and produced and used on its own table foodstuffs worth $281, nearly double the value of the food the family produced previously.

"Home canning is essential in making the low-income farm family self-sufficient," he declared. "In war time this assumes great importance. Farm security families, through carefully planned home canning, do not have to eat out of the national larder."

FSA loans to 27,780 Ohio families since 1935 totaled $10,555,896, Sorensen reported, while repayments were $4,359,434 in principal and $672,463 in interest.

Hepburn News

HEPBURN—Mr. and Mrs. H. O. Park and daughter Margaret visited Sunday at the Lloyd Wilson home near Dola.

Mr. and Mrs. George Lamb of Kenton visited Saturday at the C. C. Clement home.

Mr. and Mrs. Clinton Knotts of Lima spent Sunday with her father Adolph Brown.

ORDINANCE NO. 4485

AN ORDINANCE REGULATING THE PARKING AND LOCATION OF AUTOMOBILE TRAILERS AND REGULATING THE LICENSING, LOCATION, ERECTION, MAINTENANCE AND CONDUCT OF AUTOMOBILE TRAILER CAMPS AND TOURIST CAMPS AND PROVIDING A PENALTY FOR THE VIOLATION THEREOF.

BE IT ORDAINED by the Council of the City of Marion, as follows: —

SECTION I. DEFINITIONS

Whenever used in this ordinance, unless a different meaning appears from the context

(a) An "Automobile trailer," "Trailer Coach, or Trailer means any vehicle or structure so designed and constructed in such manner as will permit occupancy thereof as sleeping quarters for one or more persons, or the conduct of any business or profession, occupation or trade (or use as a selling or advertising device), and so designed that it is or may be mounted on wheels and used as a conveyance on highways or city streets, propelled or drawn by its own or other motive power, excepting a device used exclusively upon stationary rails or tracks

(b) A "Trailer Camp" means any park, trailer park, trailer court, court camp, site lot, parcel, or tract of land designed, maintained or intended for the purpose of supplying a location or accommodations for any trailer coach or trailer coaches and upon which any trailer coach or trailer coaches are parked and shall include all buildings used or intended for use as part of the equipment thereof whether a charge is made for the use of the trailer camp and its facilities or not. "Trailer Camp" shall not include automobile or trailer sales lots on which unoccupied trailers are parked for purposes of inspection and sale

(c) A "Tourist Camp" means any park, tourist park, tourist court, camp, court, site, lot, parcel or tract of land upon which one or more camp cottages or cabins are located and maintained for the accommodation of transients by the day, week, or month, whether a charge is made or not

(d) A "Unit" means a section of ground in a trailer camp of not less than 800 square feet of unoccupied space in an area designated as the location for only one automobile and one trailer

(e) A "Cabin Plot" means a section of ground not less than 20 feet by 40 feet in area, upon which only one camp cottage or cabin is located

(f) The word "person" shall be construed to include persons, partnership, firm, company, corporation, tenant, owner, lessee or licensee, their agents, heirs or assigns

SECTION II. ENFORCEMENT

A Board of Investigators consisting of the Director of Health, the Chief of the Fire Department, the Chief of Police, is hereby created, with the Director of Health as Chairman.

It is hereby made the duty of said Board to enforce all provisions of this ordinance as prescribed herein or such provisions as may hereafter be enacted, and for the purpose of securing such enforcement, any of the above members of the Board or their duly authorized representatives, shall have the right and are hereby empowered to enter upon any premises on which any automobile trailers or camp cottages or cabins are located, or are about to be located, and inspect the same and all accommodations connected therewith at any reasonable time. The Board is further empowered to issue orders granting, renewing, and revoking such permits and licenses as are provided for in accordance with the provisions of this ordinance.

SECTION III. LOCATION OUTSIDE CAMPS.

(a) It shall be unlawful, within the limits of the City of Marion, for any person to park any trailer on any street, alley, or highway, or other public place, or on any tract of land owned by any person, occupied or unoccupied, within the City of Marion, except as provided in this ordinance

(b) Emergency or temporary stopping or parking is permitted on any street, alley, or highway for not longer than one hour subject to any other and further prohibitions, regulations or limitations imposed by the traffic and parking regulations or ordinances for that street, alley or highway.

(c) No person shall park or occupy any trailer on the premises of any occupied dwelling or on any lot which is not a part of the premises of any occupied dwelling either of which is situated outside an approved trailer camp; except the parking of only one unoccupied trailer in an accessory private garage building, or in a rear yard in any district, is permitted providing no living quarters shall be maintained or any business practiced in said trailer while such trailer is so parked or stored

SECTION IV. PERMANENT OCCUPANCY.

Automobile trailers shall not be used as a permanent place of abode or as a permanent dwelling or for indefinite periods of time. Provided, that any such trailer properly connected with the city water supply and sanitary sewer systems, and constructed and located in compliance with all requirements of the building, plumbing, sanitary, health, zoning and electrical ordinances of the City of Marion, and not inhabited by a greater number of occupants than that for which it was designed may be permitted on any premises under permits properly secured as provided for in said building, plumbing, electrical, sanitary, health, and zoning ordinances

SECTION V. LICENSE FOR TRAILER OR TOURIST CAMP, APPLICATION THEREFOR AND ISSUANCE THEREOF

(a) It shall be unlawful for any person to establish, operate or maintain, or permit to be established, operated or maintained upon any property owned or controlled by him, a trailer camp or tourist camp or combination of the two within the limits of the City of Marion, without having first secured a license therefor and for each of them from the Board of Investigators, granted and existing in compliance with the terms of this ordinance. Such license shall expire one year from the date of issuance but may be renewed under the provisions of this ordinance for additional periods of one year

(b) The application for such license or the renewal thereof shall be filed with the Chairman of the board of Investigators and shall be accompanied by a fee of five dollars ($5.00) for each unit and cabin plot in the existing or proposed camp. The application for a license or a renewal thereof shall be made on printed forms furnished by the Board of Investigators and shall include the name and address of the owner in fee of the tract (if the fee is vested in some person other than the applicant, a duly verified statement of that person, that the applicant is authorized by him to construct or maintain the trailer or tourist camp and make the application) and such a legal description of the premises upon which the trailer or tourist camp is or will be located as will readily identify and definitely locate the premises. The application shall be accompanied by four copies of the camp plan showing the following, either existing or as proposed: (1) The extent and area used for camp purposes; (2) Roadways and driveways; (3) Location of sites or units for trailer coaches or cabins; (4) Location and number of sanitary conveniences including toilets, washrooms, laundries and utility rooms to be used by occupants of units or cabins (In cases where cabins do not have all such facilities in proper conformance with city building, plumbing and other ordinances); (5) Method and plan of sewage disposal; (6) Method and plan of garbage removal; (7) Plan for water supply; (8) Plan for electrical lighting of units and cabins.

(c) Before such license may be issued, there must be a favorable recommendation by a majority of the Planning Commission of the City of Marion, and the premises must be inspected and approved by each of the members of the Board of Investigators or its duly authorized representative as complying with all the provisions of this ordinance and all other applicable ordinances of the City of Marion

(d) Licenses issued under the terms of this ordinance convey no right to erect any building, to do any plumbing work or to do any electrical work

SECTION VI. ZONING OF TRAILER AND TOURIST CAMPS.

(a) No trailer or tourist camp shall be located in any primary or secondary zone

(b) The Planning Commission of the City of Marion may, in conformance with the zoning laws, recommend and the Board of Investigators may issue a license for the location of a trailer camp in any district in which licenses are herein permitted, after a public hearing if, on such hearing said Board finds that denial of such license will cause unnecessary hardship to the applicant and finds in addition that the owners of all property within 200 yards of the proposed camp will not suffer unnecessary hardship by reason of the operation of the camp at the proposed location. The Board shall file its findings and conclusions in writing with the Secretary of the Board and serve copies on all parties present or represented at the hearing

(c) No trailer or tourist camp shall be located within the limits of the City of Marion, unless approved water and sewage disposal and fire protection facilities are available

(d) No occupied trailer or camp cottage or cabin or other building shall be located within the city limits of the City of Marion, within the recognized set back line for the zoning district in which such trailer or cabin is located nor less than ten feet from any other building or vehicle or the boundary line of the tract on which located

SECTION VII CAMP PLAN

(a) Every trailer or tourist camp shall be located on a well drained area and the premises shall be properly graded so as to prevent the accumulation of storm or other waters

(b) Units and cabin plots shall be clearly designated and the camp so arranged that all units and cabin plots shall face or abut on a driveway of not less than sixteen feet in width giving easy access from all units to a public street. Such driveway shall be paved and maintained in good condition, having natural drainage into a city street catch basin, be well lighted at night and shall not be obstructed.

(c) No camp cottage or cabin shall be less than 150 square feet nor not less than 14 feet wide at its narrowest point, and not less than 8 feet high from floor to ceiling and shall not have less than 27 square feet of ventilating openings, and all windows must be fully screened. If the floor be of wood it shall be raised not less than 12 inches above the ground level

(d) The camp shall be so laid out that no unit or cabin shall be located farther than 200 feet from the toilets and service buildings provided for herein and walkways to such buildings shall be paved and well lighted at night

(e) Every trailer unit shall be furnished with an electric service outlet. Such outlet shall be equipped with an externally operated switch or fuse of not less than 30 Amperes capacity, and a heavy duty outlet receptacle

SECTION VIII WATER SUPPLY

(a) An adequate supply of pure water, furnished through a pipe distribution system connected directly with the city water main, with supply faucets located not more than 200 feet from any trailer or cabin shall be furnished for drinking and domestic purposes or a properly dug and inspected well may be used

(b) No common drinking vessels shall be permitted, nor shall any drinking water faucets be placed in any toilet room or water closet compartment.

(c) An abundant supply of hot water shall be provided at all times for bathing, washing, and laundry facilities

SECTION IX. SERVICE BUILDING AND ACCOMMODATIONS.

(a) Every trailer or tourist camp shall have erected thereon, at a distance not greater than 200 feet from any unit or cabin it is designed to serve, a suitable building for housing toilets, showers and laundry facilities as required by this ordinance, such building to be known as the Service Building

(b) There shall be provided separate toilet rooms for each sex. Flush or chemical toilet provided with an adequate water supply shall be enclosed in separate compartments having a minimum width of three feet, six inches and shall be provided for each sex in the ratio of one toilet for each eight units or cabins or fraction thereof. Every male toilet room shall have one urinal for each sixteen units or cabins but in no case shall any male toilet be without one urinal. Toilet rooms shall contain lavatories with hot and cold water in the ratio of one lavatory to every two or less water closets

(c) Separate bathing facilities for each sex shall be provided with one shower enclosed in a compartment at least four feet square for each eight units or cabins or fraction thereof. Each shower compartment shall be supplemented by an individual dressing compartment of at least twelve square feet

(d) Laundry facilities shall be provided in the ratio of one double tray and one ironing board for each 10 units or cabins

(e) The above accommodations shall be based on the total camp capacity according to accepted plans

(f) Floors of toilets showers and laundry shall be of concrete tile or similar material impervious to water and easily cleaned and pitched to a floor drain

SECTION X WASTE AND GARBAGE DISPOSAL

(a) All waste from showers, toilets laundries faucets and lavatories shall be wasted into a sewer system extended from and connected with the city sewer system, or into properly constructed tile drains

(b) In no case shall any waste water be thrown or discharged upon the surface of the ground or disposed of by means other than as herein provided

(c) Every unit shall be provided with a substantial fly tight metal garbage depository from which the contents shall be removed by the city garbage collection service

SECTION XI. LIMITATION ON LENGTH OF STAY AND ON NUMBER OF OCCUPANTS

(a) It shall be unlawful for any person to remain or live in any trailer or tourist camp for more than ninety (90) days in each twelve month period, subject to the provisions of section 4 of this ordinance, except that upon a showing and proof that one or more occupants of a trailer or cabin are engaged in vital national defense work and that there exists in the community a shortage of adequate housing facilities, additional stays of sixty (60) days may be granted by the Board of Investigators, such additional sixty (60) day period upon a further and similar showing; Provided, that this time limitation shall not apply to the licensee of a trailer or tourist camp or his bona fide employees so as to prevent their remaining on the camp premises at all times.

(b) No trailer or cabin may be inhabited by a greater number of occupants than that for which it was designed

SECTION XII. MANAGEMENT.

(a) In every trailer or tourist camp there shall be an office building in which shall be located the office of the person in charge of said camp. A copy of the camp license and of this ordinance shall be posted therein and the camp register shall at all times be kept in said office

(b) It is hereby made the duty of the attendant or person in charge, together with the licensee to

1. Keep at all times a register of all guests (which shall be open at all times to inspection by State and Federal officers and officers of the City of Marion) showing for all guests
   a. Names and addresses
   b. Dates of entrance and departure.
   c. License numbers of all trailers and towing or other automobiles.
   d. States issuing such licenses
   e. Place of last location, and length of stay.
2. Maintain the camp in a clean, orderly and sanitary condition at all times.
3. See that the provisions of this ordinance are complied with and enforced and report promptly to the proper authorities any violations of this ordinance or any other violations of law which may come to his attention.
4. Report to the Director of Health all cases of persons or animals affected or suspected of being affected with any communicable disease.
5. Prevent the running loose of dogs, cats, or other animals or pets.
6. Maintain in convenient places, approved by the Fire Department, hand fire extinguishers in the ratio of one to each eight units or cabins
7. Collect the service charge provided for in Section 13 of this ordinance, from the occupants of each unit in the camp and pay over the money so collected to the Treasurer of the City of Marion. A record shall be kept showing the names of the persons paying said service charge and the amount paid
8. Prohibit the lighting of open fires on the premises
9. Prohibit the use of any trailer or cabin by a greater number of occupants than that which it is designed to accommodate

SECTION XIII SERVICE AND INSPECTION CHARGE

There is hereby imposed a service and inspection charge of [illegible] cents per day per unit on the [illegible] or occupants of each unit of trailer camps licensed hereunder. The licensee of the trailer camp shall collect this service charge for the City of Marion and pay it over to the City Treasurer in accordance with such reasonable regulations as the Treasurer may promulgate governing such payments

SECTION XIV. APPLICABILITY OF PLUMBING ELECTRICAL AND BUILDING ORDINANCES

All plumbing electrical building and other work on or at any camp licensed under this ordinance shall be in accordance with the ordinances of the City of Marion regulating such work unless such ordinances are specifically made inapplicable under the terms of this ordinance

SECTION XV. REVOCATION AND SUSPENSION

(a) The Board of Investigators is hereby authorized to revoke any license issued pursuant to the terms of this ordinance if after due investigation they determine that the holder thereof has violated any of the provisions of this ordinance or that any trailer, trailer camp or tourist camp is being maintained in an unsanitary or unsafe manner or is a nuisance.

SECTION XVI. HEARING ON GRANTING, DENIAL, RENEWAL OR REVOCATION OF LICENSE.

Any person aggrieved by an order of the Board of Investigators granting, denying, renewing or revoking a license for a trailer camp or tourist camp, under this ordinance, may file a written request for a hearing before the Board within ten (10) days after issuance of such order. The Board shall give notice of a public hearing upon this request to be held in not less than five (5) days after service of the notice on the person requesting the hearing. The Board may also give notice of the hearing to other persons directly interested in the order in question. At such hearing, the Board shall determine whether the granting, denial, renewal, or revocation of the license was in accordance with the provisions of this ordinance and shall issue a written findings of fact, conclusions of law and an order to carry out its findings and conclusions. These findings of fact, conclusions of law and order shall be filed with the Secretary of the Board and served by the Board upon all parties appearing or represented at said hearing.

SECTION XVII. COUNCIL REVIEW

Any order either granting, denying, renewing, or revoking any license under the provisions of this ordinance may be appealed to the City Council in the same manner as appeals from any order under the building or zoning ordinances of the City of Marion. Appeals from such orders must be taken within [illegible] days after the order is issued. Upon any such appeal the findings of fact of the Board of Investigators if supported by substantial evidence shall be conclusive

SECTION XVIII. PENALTIES FOR VIOLATION OF ORDINANCE

Any person found guilty of violating any provision of this ordinance shall be deemed guilty of a misdemeanor and shall be fined not less than five dollars and not more than fifty dollars ($50.00) and every day such violation exists shall constitute a separate offense and be punishable as such hereunder.

SECTION XIX. SEPARABILITY AND CONFLICT

(a) If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions thereof.

(b) All ordinances or parts of ordinances inconsistent with or contrary hereto are hereby repealed except nothing in this ordinance shall be interpreted so as to conflict with the State Housing Laws, State legislation regulating trailers, trailer camps or tourist camps or any of the requirements of any ordinances of the city of Marion not mentioned or made inapplicable by the express terms of this ordinance

SECTION XX. EFFECTIVE DATE

This ordinance shall take effect from and after the earliest period allowed by law

Robert H. Stief
President of Council.
Passed: March 23, 1942
Approved: March 2? 1942.
Russell C. Snare Mayor
Attest Lew W. Shadiker, Clerk
April 16 23 30 1942.

LEGAL NOTICE.

In pursuance of an Order of the Probate Court issued to me in Case No. 147?? the undersigned will sell at public auction on the premises hereinafter described on the 9th day of May, A. D. 1942, at 10 o'clock A. M. the following described real estate:—

Situated in the County of Marion in the State of Ohio and in the Township of Prospect and known as Lot No. 21, new number 326, also the south part of Lot No. 22, new number 327 and the south part of Lot No. 23 new number 328; each of said parts having a depth north and south of 52 feet all being in Christian Gast's Addition to the said Village of Prospect, Ohio.

WPB Did Fashion a Favor, Asserts Mainbocher

STRAIGHT AND NARROW
Black skirt, white cardigan

By DOROTHY ROE
Wide World Fashion Editor

American women will be better dressed as a result of the WPB restrictions on wartime fashions.

This is the opinion of Mainbocher, who designs clothes for the Duchess of Windsor and many other glittering figures of the now anchored international set.

Though his first fame as a couturier was won in Paris, Mainbocher is an American born and bred, and has returned to his native land in a spirit of deep thankfulness and profound patriotism. Stocky, gray-haired, clipped of speech, Mr. Bocher looks more like a Wall Street financier than a dressmaker. He approaches the designing of a dress in the spirit of a master engineer blue-printing a beautiful but functional bridge span

MAINBOCHER
Views with interest

"I'm going to follow the law to the millionth of an inch," he says, "and add to it anything I know which will effect further economies of line and cut"

He regards the new enforced simplicity of dress as a boon both to the wearers and the makers of women's clothes. Expensive simplicity long has been a hallmark of Mainbocher designs

He predicts that the first war-born fashion will be the return of the day-length evening dress. WPB has ordered that dresses be either short or long—no in-between lengths. Mr. Bocher (Mainbocher is a combined form of his given and family names) thinks short skirts will assume a 'round-the-clock importance, as women find they feel "right" in less formal clothes. Says he:

"I believe absolute obedience is an integral part of victory. Nobody knows how this fashion serial is going to end but I am convinced that the WPB rules will lead to better dressing. I can say also, that I view the future with interest, but not with alarm."

MARION EDUCATOR TO ATTEND MEET

Principals' Group To Dis Inter-School Contests

Inter-school contests, inc athletics and particularly district tournaments, wil among the most importan jects to be discussed at a m of the Ohio High School Pr pals' association Friday an urday at the Seneca hotel lumbus.

The discussion will around whether the asso should impose its own restr on the contests because transportation problem a from tire and automobile re tions, according to Principal P. Snyder of Harding High

Supt. E. E. Holt, who in Columbus to attend a me on sugar rationing, will atten banquet Friday night at Dean Russell of Teachers co Columbia university will b speaker.

Principals Snyder, Cecil G of Vernon Heights Junior school W. E. Orcutt of C Junior High school and Frew of Thomas A. Edison High school and [illegible] teacher, will attend sions. Officers will be ele the closing session S morning.

Because of gasoline [illegible]

"Army" Young, but Willing

By JAMES LINDSLEY

NORTH HOLLYWOOD, Calif., (Wide World)—They're too young to march into battle, these boys of the Rio Vista school—

And the girls aren't yet big enough to join the uniformed ranks of the women's voluntary services—

But as troopers of the "Army of Flying Feet" they proudly march off to school each morning with flags flying and drums beating.

There are five companies in the youthful army now, with an enrollment of more than 250 six to 12-year-olds. They're marching to school in company formation to help their parents conserve tires and gasoline and they're having fun doing it.

Some famous names are represented by these young troopers.

Al Jolson Jr., son of the actor and Ruby Keeler, now Mrs. John Lowe, is one of them. Molly Crosby, daughter of Larry and niece of the crooning Bing, is another. Two more are Susan and Michael McHugh, children of comedian Frank McHugh.

And their mothers take regular turns as escorts for the troopers. Mrs. Bob Hope helps too although she has no children in the school

Some skeptical eyebrows were raised in the exclusive Toluca Lake district when Mrs. Martha Mayer, founder of the army of flying feet, introduced her idea. Children just don't walk to school, not in southern California anyway. If they aren't taken in the family car, they usually ride in a luxurious bus, furnished by the school district

But Mrs. Mayer went ahead anyway.

Then came tire rationing, the need of conserving gasoline, the realization that there won't be any more new automobiles—not for a while. And mothers found the women's voluntary services taking more and more of their time that taking the children to and from school each day was cutting into it

So the little army began to grow. Children, passing by in cars while their comrades marched along, keeping time to the songs they sang, begged to join. The Army of Flying Feet became a regular part of community life.

Discipline governs the journey. Company A, the first organized begins its march about a mile and a half from school with a dozen youngsters, two mothers, a convoy car and a dog. The mothers are supervisors. The convoy car is for illness or other emergency. The dog just goes along

And while a mile and a half may not seem much to you midwesterners who used to walk 10 miles to school through the snow or say you did, it's a long way to walk out here

At each corner there is a one-minute pause to register newcomers and prepare to cross the intersection

By the time company A rounds into the school grounds it musters 71 children. The same program is followed by the other four companies

Late to school? It just isn't fashionable at Rio Vista any more

STILL ON THE JOB

C. Yates McDaniel, noted Associated Press writer who fled Singapore Feb. 12 was cast on an island between Singapore and Java when Japs bombed his ship. "During the day on the island I worked on my notes of the last hours of Singapore," he wrote. Here he is, still at work

BUY OIL IN BULK AND SAVE MONEY!

You Can't Buy A Better Oil To Prolong The Life of Your Car

Cross Country is nature's choicest lubricant. Besides being free of all impurities, it possesses a greater natural oiliness which offers less friction resistance to the moving engine parts. Conserves engine power by effecting a better piston seal against compression loss. Saves on gasoline.

"Cross Country covers every moving engine part with a toughened, friction proof protective film. It does not drain away. Lubricates the instant you start your motor. Resists sludging because of its purity and greater chemical stability. Flows freely at temperatures that congeal most other types of oil. Saves you money on costly repair bills."

TONY ZALE ENLISTS IN NAVY

Zale (right), middle- boxing champion, exam- s enlistment papers after sworn into the navy at Lakes, Ill., training station, as a specialist, first class. He was ordered to report April 27 as a boxing instructor. Lieut. Commander J. Russell Cook (left) athletic officer at the Station, looks on.

Sorority Honors Miss Dutton

(Continued from Page 1)

of the civic committee and member of the classification committee.

Miss Dutton, a member of St. [illegible] Catholic church, has been actively interested in Salvation [illegible] work in Marion over a period of years and for the last several years has served as secretary of the board. She also has been serving as secretary to the [illegible] of Marion Community Foundation, Inc., the city's community fund organization. Two of the foundation member organizations whose publicity she has been responsible for are the Girl Reserves and Girl Scouts.

A member of the Marion County Federation of Women's clubs through her membership in the Tuesday Study club, she is the federation's publicity chairman, a post which she also fills for the Marion Symphony board. This year she is treasurer of the Tuesday Study club. She is a member of the Burroughs Nature Study club.

Although not affiliated with the Marion Lecture-Recital club, she handles the club's news reports and has covered all concerts given by the club and the Marion Civic orchestra. She also handles the news and feature stories of the Woman's Board of Marion City hospital.

Miss Dutton is publicity director for the Marion Federation of Catholic Women and is a member of the Altar society.

A native of Agosta and a graduate of the Agosta High school, she is a member and past officer of the high school alumni organization.

Former Teacher

Miss Dutton's first newspaper work was as The Star's correspondent at Agosta. She at one time taught in the Marion county schools.

In responding briefly during the after-dinner program last night Miss Dutton said: "I do feel honored to be asked to affiliate with you business women of today and tomorrow."

She spoke of the confidence with which young women of today approach their jobs and the success they achieve. After congratulating the club on its first anniversary she said: "What I have observed of your achievements and what I have observed here tonight tell me you have a sturdy and promising chapter."

Her certificate of honorary membership was signed by the grand president, Elsie M. Fenton, and the grand secretary, Fern L. Thompson, both of Des Moines, Ia.

Miss Yagodic, toastmistress, in presenting Miss Dutton said: "We are happy to be here tonight and to know that she has come to be one of us makes us more happy." Miss Dutton wore a gardenia corsage sent by the chapter.

The presenting of the certificates to Miss Dutton and the 10 new members took place in a candlelight ceremony. As the certificates were presented each of the 11 received a red rosebud, the sorority flower.

Initiation Activities

To the pledges the ceremony culminated three weeks of pre-initiation activities. On April 1 the pledge service was administered at the Y. M. C. A., and the following week the prospective members carried out the obligations of initiation. On April 8 they met on the courthouse esplanade and were taken on a ride through the city. Tuesday night the first and second parts of the initiation ceremony were conferred at the business college.

Preceding dinner the invocation was given by Miss Helen Sansotta, chaplain, and the toast to the sorority was given by Miss Josephine Manzo, vice president. In the after-dinner program the pledge captain, Miss Anna Mae Spano, welcomed the new members and the new honorary member. Miss Sheehe responded for the pledge group.

Other officers of the chapter are Miss Mary K. Taylor, treasurer; Miss Darlene Smith, recording secretary; Miss Irene Hall, corresponding secretary; Miss Martha Fabian, social secretary; Miss Margaret Reinhart, historian; Miss Mary Gorenflo, assistant historian; Miss Irene Powell, marshal; Mrs. Florence Humes, parliamentarian.

Charter Members

Sixteen of the charter members were present, the officers, the sponsors, Mrs. J. A. Lott and Mrs. Arlie Koons, and Miss Mary Virginia Fetter, and Miss Dora J. Leib. Charter members who could not attend are Miss Dorothy Korody of Washington, D. C., Mrs. Helen Jones Claffey of Marion, Miss Betty Himmenger of Sandusky, Mrs. Nina Salisbury Baer of Urbana, Miss Martha Ward of Cardington and Misses Winifred Barnheiser, Ruth Craner and Pauline Pinyard of Galion.

Miss Ward, first president, sent greetings. The group applauded her work in helping to establish the chapter.

The dinner was served by the light of royal blue and white candles at a U-shaped table centered with a bowl of red rosebuds. The favors, in the sorority colors, were royal blue and white crepe paper ruffs around miniature candles, holding small "V for Victory" and American flag lapel pins. The favors were made by Miss Fabian and Miss Manzo. The place cards, bearing the sorority crest in blue, were the work of Miss Ona Rowland and the circular programs were decorated with red roses done in water colors by Miss Manzo. On the west wall hung a decorative plaque of the sorority crest, presented to the chapter by Miss Yagodic's sister and brother, Miss Margaret and Joseph Yagodic of Pittsburgh, Pa.

On the committee in charge of arrangements were Miss Fabian, chairman, Miss Manzo, Miss Taylor and Miss Spano.

Before dinner a group picture was taken at the south side of the mezzanine.

SEEKS DIVORCE

Screen Actress Myrna Loy above arrived in Reno, Nev., to establish Nevada residence, and said that she would seek a divorce from Arthur Hornblow Jr., film producer.

Oceola Resident Dies of Pneumonia

Special to The Star

NEVADA, April 23—Mrs. Minnie A. Reiff, 73, wife of Charles F. Reiff of Oceola, died of pneumonia early today in the City hospital at Bucyrus. She was born in Holmes township, Crawford county. Mr. and Mrs. Reiff would have celebrated their 54th wedding anniversary Friday.

Surviving with the husband are four children, Mrs. Flav Wilson of Oceola, Mrs. Milo Gingery of near Ridgeton, Arthur of north of Bucyrus, and Dr. Orland Reiff of Woodbury, N. J. A brother, Frank Snavely of Oceola, and four sisters, Mrs. Rose George of Crawford county, Mrs. Etta Downing of near Sycamore, Mrs. Katie Campbell of north of Bucyrus and Mrs. Emma Heft of Bucyrus.

Funeral services will be conducted at 2:30 p. m. Sunday at the U. B. church in Oceola. Burial will be made in the Nevada cemetery. Friends may call at the home Friday evening and until the funeral h[illegible].

George E. Price, 66, Dies in Galion Home

Special to The Star

GALION, April 23—George Edward Price, [illegible] early today at his home here, [illegible] a short illness. He was born at Mansfield and until his retirement a year ago was employed with the Galion [illegible].

Surviving are the widow, Mrs. Alrora Jacoby Price and two brothers. He was a member of the Eagles lodge.

Funeral services will be held at 2:30 p. m. Saturday at the Volk funeral home where friends may call after 7:30 o'clock tonight. Burial will be in [illegible] cemetery.

Former Bucyrus Man Dies in Chicago Home

Relatives here have received word of the death of Charles Stiger, which occurred yesterday at his home in Chicago. A native of Bucyrus where he lived until after his graduation from high school, Mr. Stiger spent most of his life in Chicago. He was past 70 years of age.

Two children, a son and daughter, both living in Chicago survive. Surviving also are the following sisters and brothers: Mrs. Ira Chadwick of Columbus, Mrs. Arnie Kretcher of Oak Park, Ill., Thomas of Everett, Wash., and Mrs. Cora Goldsmith of Bucyrus. Mrs. Stiger died several years ago. Mr. Stiger was the son of Jacob and Ella Monnette Stiger.

About budgets and babies

It's not too difficult a task for grown-ups to budget their expenses once they analyze their usual needs; but young mothers who are happily engrossed seeing to the comforts of "the first baby" often are amazed at the way their dimes, quarters and dollars disappear.

They don't shop for baby the way they do for themselves, and consequently, they often make unnecessary expenditures because they're bent on having the very best of everything for that little tyke who rules the roost.

True, our youngsters deserve the very finest of everything but a little prudence and careful shopping may make it possible for us to give baby much more in the long run.

Here's a suggestion. Follow the announcements of the juvenile stores in this paper every day. Watch for specials and listings of things your child needs. Shop these stores and get their seasoned advice about the quality and service of individual items. It's one way to save money on everything from tiny bibs to blankets or that first hobby horse.

The Marion Star

Police Shown How To Figure Auto's Speed by Measuring Skid Marks

Tests Made on Durfee Drive; Reaction Speed of Policemen Also Checked As Part of Traffic School.

Computation of auto speeds by measuring the length of skid marks made by braked tires featured the police traffic school yesterday. The school, which began Monday for all policemen and police officers, and which will continue today, tomorrow and Monday through Friday of next week, was held yesterday on Durfee drive, where actual tests of skid marks of braked tires were made by policemen taking the course of instruction, in charge of Lt. Howard Hoyt, field representative for Purdue university, co-sponsor of the school with the Ohio Automobile and Protective Information bureau.

At a meeting in Eagles club rooms in City hall Lt. Hoyt explained the method of determining the speed of autos by measuring tire skid marks on the pavement.

Computing Speeds

For example, he said it has been determined that a car proceeding at a rate of 20 miles an hour requires 21 feet in which to come to a full stop. Using this basis, policemen can determine, if a skid mark measures 92 feet, how fast the auto was going by using this method: Divide the 92 feet by the 21 feet and take the square root of the number obtained.

Reaction time of several policemen was also determined by measuring the skid mark of a car they were driving at 20 miles an hour and comparing it with the three-fourths second it takes an average motorist to stop if he is proceeding at 29 feet a second.

In this experiment a gadget is used which is made up of two barrels of an ordinary .22 caliber gun. The gun is loaded with blank cartridges and small capsules with yellow paint in them. A string is attached to the mechanism, which one riding in the car can pull, to release the cocked barrel and to drop the capsule of paint to the street. As soon as the blank cartridge explodes, the driver is instructed to apply the brakes, thus releasing the other cartridge and the other paint capsule. When the car is brought to a stop, the distance between the two blobs of paint remaining on the street is measured, and a simple computation made to determine the amount of time elapsing between when the gun signal first exploded and when the driver applied the brakes.

Results of Tests

Tests yesterday ranged from less than half a second to over three-quarters of a second.

Several tests were made yesterday, by Capt. Mackan, Police Chief Marks and others, to test the ability of policemen to compute the speed of a motorist by measuring skid marks. All tests save one, into which special conditions entered, resulted in the estimating of speeds correct within a single mile an hour of speed.

Value of the tests, Lt. Hoyt explained, is to determine the speed at which a motorist involved in an accident was traveling at the time of the accident. He said testimony in which two patrolmen concur can be admitted into court.

G. E. LAYTON DIES

KENTON, April 23 — George Edgar Layton, 73, a native of Missouri who was employed by the William Edwards Wholesale Grocery company, Cleveland, until 1937, died Tuesday in his home at nearby Belle Center. He also was a former resident of Bucyrus and Bellefontaine. Funeral will be held in the Postle funeral home, Belle Center, at 2 p. m. Friday.

Persistence Does It

Savings Once Started Should Be Continued

It's the "follow-through" that counts! Too many folks in a burst of thrift, start Savings Accounts and then fail to continue saving as income is received. If you are among that group why not make a fresh start? Set an amount you know you can spare regularly and then "spend" it in your account FIRST. This plan will soon show the value of persistence.

Rubber Man Laval Bounces Back

Wide World Features

LIFE for Pierre Laval, Hitler's leading disciple in war-conquered France, has been a roller-coaster ride of ups and downs since he entered politics nearly 20 years ago.

Now he's up again—holding the political leadership of Vichy's reorganized governing body, although Marshal Petain hangs on to the title of chief-of-state. Laval stepped out ahead of his collaborationist colleague, Admiral Jean Darlan, and now the Vichy regime may be steered into new and stranger channels in the next few weeks.

In a land noted for the tempestuousness of its politics, Laval's career has been spectacular; he rose from a humble beginning to the premiership of France, saw his cabinet crumble because of internal dissension, finally, went into an eclipse until after the Nazis had hammered his country into submission.

Then he burst into the spotlight again, became Petain's right-hand man and designated successor.

With far less ceremony, he was benched six months later because he pushed his collaboration enthusiasms too far. The world might have heard little of him thereafter, but he stopped a bullet from the gun of a young French patriot, and for days lay gravely ill.

The pudgy former peasant of Auvergne hung on stubbornly and a few months later was back, quietly moving behind the scenes and working ceaselessly to bring Vichy closer to the political concepts of Nazi Germany.

A Socialist when he started his political career as a provincial mayor, Laval gradually swung toward Fascism. He's a "democracy-is-dead" calamity howler. He made this assertion after the fall of France.

But he's no prophet. At the same time, he said Germany would win the war in 1941.

LAVAL: Bounced out, he bounces back.

CHILD OF MARION CO. COUPLE IS STRICKEN

Phyllis Elaine Garver, Dies at Age of Nine Months.

Phyllis Elaine Garver, 9-month-old daughter of Mr. and Mrs. Robert L. Garver of three miles south of Marion on the Prospect road, died today at 5:45 a. m. in City hospital. Ill for the last five months, the baby had been in the hospital three times for medical treatment.

She was born in Marion on June 28, 1941 to Robert L. and Dorothy Schiller Garver, natives of Marion county. She was on the cradle roll of Oakland Evangelical church.

Surviving with the parents are two brothers, Edward, 6, and Donald, 4.

Friends may call at the Schaffner-Denzer Co. funeral home on East Center street, where the funeral will be conducted Saturday at 2 p. m. by Rev. J. Raphael Dallas of the Oakland church. Burial will be made in Marion cemetery.

$40,500 in Damages Asked in Kenton Suit

Special to The Star

KENTON, O., April 23—Damage suits totaling $40,500 were filed yesterday in Hardin county common pleas court against R. R. Robertson of Haskins, Wood county, operator of a trucking firm.

Mrs. Margaret Wedge of Forest asks $25,000 for brain concussion, loss of six teeth and other injuries; Miss Sarah Wilkin of Forest asks $10,000 for a crushed nose, injuries to her right foot, cuts and bruises; and Everett Lloyd, Kenton businessman, seeks $5,000 for fractures of two ribs and other hurts sustained when the Lloyd car crashed into the rear of the Robertson truck while it was parked allegedly unlighted, along North Detroit street in Kenton early on the morning of Feb. 10. Lloyd also asks $500 for damages to his automobile.

Scrap Book Contest Winners Are Named

Special to The Star

GALION, April 23—When winners of a scrap book contest, "Food for Freedom," were announced Wednesday by the Crawford County Agricultural Adjustment association Mildred Hoover, seventh grade, received first prize. She is the daughter of Mr. and Mrs. J. L. Hoover, Mansfield road, and was given a defense album with $1 in defense stamps.

Marjorie Garverick, daughter of Mr. and Mrs. Harold Garverick, received second prize; Laura Heffelfinger, daughter of Mr. and Mrs. Harry Heffelfinger, third prize.

General George C. Marshall, chief of staff of the United States army, is not a West Pointer. He was graduated from Virginia Military institute.

Marion Boat Club To Meet Sunday

The Marion Boat club will hold a special meeting Sunday afternoon at 5 at the club property on the Scioto river, south of Newmans bridge, for the purpose of aquainting 30 new members with present members. Dwight Ansley, president, said today that members would complete improvement of the property.

In case of inclement weather the meeting will be held at the Horn Marine Sales shop at the rear of 632 East Church street.

Sugar Rationing Plans To Be Outlined Friday

City Schools Superintendent E. E. Holt, County Schools Superintendent D. T. Mills and John P. Probst, county rationing coordinator, plan to attend a meeting at 9:30 a. m. tomorrow in Southern Hotel at Columbus to discuss the federal government's sugar rationing program. Other county rationing coordinators and school officials from all sections of the state have been asked to attend.

State Rationing Administrator Harry T. Beckman said all phases of the sugar distribution plan will be considered. Also, county coordinators and school officials will discuss preparations for the forthcoming registration of industries, institutions and individual consumers of sugar.

The trade registration, Beckman said, will be held April 28 and 29, while individual consumers will register for ration books May 4, 5, 6 and 7. Teachers will direct the registration of trade and individual consumers of sugar.

Only about three per cent of the area of Egypt is cultivable or capable of supporting a fixed population.

INFANT SON DIES AT SOUTH HIGH ST. HOME

Funeral of David Shannon to Be Saturday.

David Harrison Shannon, 15-month-old son of Mrs. Jennie L. Shannon of 321 South High street, died today at 4 a. m. in the home.

The child had been ill since birth on Feb. 27, 1941 in Marion. The father, Edgar H. Shannon, a native of Prospect, died last August.

Surviving with the mother are a sister, Ruth Ann Shannon, at home, two half sisters, Mrs. Harold Fuller of 360 Cherry street and Neva Crane, at home, and three half-brothers, Dale, Don and Dick Crane, at home.

Friends may call after 10 a. m. Friday at the Merle H. Hughes funeral home where the funeral will be conducted Saturday at 2 p. m. Burial will be made in the Otterbein cemetery near Newmans. Rev. J. A. Carriker of Forest Lawn Presbyterian church will be in charge.

Judge Cook Speaks at Bucyrus Meeting

Special to The Star

BUCYRUS—April 23—A large crowd of Bucyrians stood informed today on what they can expect after the local army camp and the Scioto Ordnance plant swing into full operation.

Judge Blake Cook of Ravenna, who successfully organized Portage county and Ravenna city to meet problems arising out of the operation of the Ravenna Ordnance plant, was the speaker at a large mass meeting here Wednesday night.

Judge Cook explained a number of the social problems which confronted Portage county and explained how they were met by local authorities. Local civilian defense officials have annou that the same system will be into effect here when deemed necessary.

RUMORS about Gas Heating
GOVERNMENT PROHIBITS GAS COMPANIES FROM ACCEPTING NEW HEATING CUSTOMERS
ONE TELLS ANOTHER
SEE WHAT THE GOVERNMENT DID? THERE MUST BE A SHORTAGE OF GAS
REPEATED AGAIN
WONDER IF WE CAN COUNT ON GAS HEAT NEXT WINTER
THE STORY GROWS
I HEAR THERE WON'T BE ANY GAS FOR HEATING NEXT WINTER!
AND GROWS
WASHINGTON IS SHUTTING OFF ALL USERS OF GAS HEAT NEXT WINTER!!
—UNTIL
GAS HEATING IS OUT! BETTER CHANGE YOUR HEATING EQUIPMENT IF YOU CAN
BUT FIRST LET'S LOOK AT THE

FACTS about Gas Heating

With a few exceptions, it is true that the Gas Division of the War Production Board prohibited gas companies from accepting new customers for major heating of homes or other buildings after February 28, 1942. The reason given was to conserve gas for its greatly expanded use by war industries.

We were tempted to file a formal protest, because last summer we had provided to deliver adequate gas to furnish both domestic customers and war industries for the winter season. Considering the matter, we decided to discuss it first with the responsible authorities in Washington.

Explaining our situation, we were informed that this company had done one of the best jobs in the country of providing for war industries as well as domestic customers. Because of this position, we were asked to serve expanded and new war industries coming into our own area rather than accept additional customers for gas heating. This we are doing now as a part in the effort for Victory.

We have received no order — and we certainly do not expect one — to the effect that present users of gas for heating will be forced to use other fuels. You will find that gas which served so well in peacetime continues to be the ideal fuel — DOING DOUBLE DUTY—on the home front and in war industries.

War Production Manpower in Area To Be Surveyed

Employment Office To Assist Draft Officials in Helping Draft Registrants Fill Out Forms.

rion office of the United mployment service located Center and State streets erate with the local draft aiding draft registrants out occupational ques- and in taking an in- of manpower in the Mar- for war production purposes, Fred B. Scherff, manager, announced today.

The occupational questionnaires sent to men who registered Feb. 16 for war service are in two identical parts, one for the selective service system and the other for the United States employment service and must be filled out in duplicate. Because its primary purpose is to determine for what job each registrant is best fitted, it is highly necessary, according to Wade Hammond, state director of the federal employment service, that specific answers be given to specific questions.

Hammond has recommended that upon receipt of the questionnaire, registrants consult one of the following authoritative sources: their employers, the local employment office, local union headquarters or the draft board.

Made In Duplicate

The duplicate questionnaire is designed to fold for mailing without the use of an envelope but this is impossible if the sheets are separated. Because of the perforations to facilitate dividing the sheets by the proper authorities, extreme care must be exercised by the registrant to avoid tearing, Hammond cautioned.

The inventory of manpower for war production purposes covers the questionnaires sent to the men who registered on Feb. 16 but later the same questionnaire will be sent to other civilians in the Marion area who are between the ages of 18 and 64, those who have already registered under selective service and those who have already registered under selective service and those who will register later.

"When the registration is completed throughout the nation and the questionnaires are in from all localities, the government will have a record of the occupational skills of 40,000,000 men," Manager Scherff said.

The inventory will start within a few weeks.

List of 228 Jobs

The questionnaires contain a list of 228 jobs essential to war production. Each man is asked to check those jobs in which he has had experience or training. The questionnaires must be filled out and returned to the selective service board within 10 days after receipt. They will then be sent to the Marion office of the United States employment service where they will be tabulated to determine which men are already qualified or can be trained quickly for work in essential war industries.

Mr. Scherff explained the process as follows:

"If a man is skilled in a line that is critically important to war production and is working on a job where he is using that skill, his allocation to military service or his deferment will depend on the possibilities of replacing him on his war production job. In such cases the selective service system and the United States employment service will cooperate closely to see that men more urgently needed for war production or for necessary civilian production are not inducted into military service. Final decision is made, of course, by the draft board after studying all the facts.

Replacement System

"However, men deferred from military service on occupational grounds will be replaced wherever possible by vocational trainees or other qualified persons who because of age, sex or other reasons are not eligible for military service.

"To speed up war production, every effort also will be made to shift workers from less essential jobs to war industries."

THE EYE SAVER RIGHT GLASSES

GALION MAN SHIFTED

GALION, April 23—Pvt. Francis J. Youngblood has been transferred from Jefferson Barracks, Mo., to the Savannah Air Base, Savannah, Ga.

AUXILIARY FIREMEN OPERATE EQUIPMENT

Pumps Used at McKinley Lake; Ladder Practice Held.

Operating of fire pumps at McKinley Lake featured outside training of auxiliary firemen yesterday afternoon. At a session at night, in front of Central station on South Prospect street, ladder practice was held, and a new lighting system recently installed was tested.

Capt. James Rynn of Central station was in charge of yesterday's drill. Capt. Owen A. Sifritt, also of Central station, alternates with Capt. Rynn as leader of instruction. Firemen from Central station also participated in the training.

Capt. Rynn said training for auxiliary firemen will be given the third Wednesday in every month in the future, at two sessions, the first from 12 to 2:30 p. m., the second from 7:30 to 9:30 p. m. He said about 40 have been receiving the drill.

A company has been formed in Mexico to obtain an oil similar to coconut oil from coyol nuts, the husks of which yield palm oil.

Doughnut shaped buffers bolted to shock absorbing mountings feature automobile bumpers invented by a Californian to cushion the impacts of collisions.

Well Satisfied

JACKSON, Miss.—There has been a lot of agitation to shorten the biennial session of the Mississippi legislature and an example in brevity was set recently for one of the solons by a constituent.

As the session rolled on with some 300 bills introduced, Rep. Mike Durr of Pinola received the following note from one of his supporters:

"Dear Sir, Will you please let the law stay as it is?"

TRACTOR OPERATOR SERIOUSLY BURNED

Gas Explodes As Wyandot Co. Man Fills Tank.

Special to The Star

UPPER SANDUSKY, April 23—William Walter of northwest of this city was severely burned early Wednesday morning in a gasoline explosion on the W. P. Neile farm where he was operating a tractor while plowing.

The explosion occurred as Mr. Walter was attempting to refill the gasoline tank of the tractor. It is thought that a spark from the tractor motor ignited the gasoline. Mr. Walter's clothing was burned from his body. The flames were extinguished when he jumped into a large water tank.

Mr. Walter was rushed in the Bringman Co. ambulance to the Bucyrus City hospital.

The tractor was badly damaged by the ensuing fire and the explosion.

Richwood Driver Arrested Here

Lester E. Wall, 46, of Richwood was arrested by police this morning on a charge of operating a car while intoxicated on West Center street. He is held in city prison pending arraignment.

A Californian has invented a round porcelain top dining table in the center of which is a gridiron on which meats can be barbecued indoors with smokeless charcoal.

Too Realistic

GLENDIVE, Mont.—The scoutmaster of Troop 33, who suggested his scouts do a "realistic job" of making a dummy for a first aid exhibit, got exactly what he requested.

The dummy was placed on exhibit in a hardware store's window, with some first aid equipment.

Customers began telephoning the store with requests "that corpse" be removed.

There is a tendency in things, under a certain amount of persecution, to rise into greater vigor, as fire burns more brightly under a slight sprinkling of water; but under a sufficient amount of persecution, their repression is as unavoidable as the extinction of the same fire by a sufficient quantity of water.—(Anonymous)

what is America Fighting For?

Freedom of The Press!

(One of the Essentials of a Democracy)

One of the strongest guarantees of American freedom is a *Free Press*. A dictator's first act is to enslave the Press.

The Free Press, like freedom of speech, religious tolerance, property rights, and their protection, and the free ballot, is a sacred American heritage that permits no compromise.

These precious rights were not easily attained. They have been held by war, work, and hardships, and America will not permit them to be lost at any cost. The same tireless spirit of sacrifice, individual initative, courage and foresight that built America's mighty industries will not fail in this great struggle for freedom.

- ✓ FLAVOR. Fresh, wholesome, wheaty aroma and a delightful taste that everyone enjoys.
- ✓ FOOD VALUE. 99% digestible. An unexcelled source of lasting energy.
- ✓ FRESHNESS. Out-of-the-oven freshness that brings out the *best* in good bread
- ✓ VITAMINS AND MINERALS. Enriched with Vitamin B₁ and Iron in food form for nerve health, good digestion and good blood
- ✓ BAKE TEST. *Good bread* can be compressed in the fingers or hand and when pressure is released, it will *spring back*. Try this on Omar Super 800. Compare it with your present bread

Important: MAKE THIS TOAST TEST

Omar Super 800 Bread—made by the Hy-Score Baking Method—toasts to a delectable, even, golden-brown. It's always delightfully crisp with a rich, tender center and marvelous flavor that everyone enjoys. Your taste will tell you—Omar toasts best!

OMAR SUPER 800 BREAD

Tons and Tons of Rubber—All Free!

By HAROLD F. OSBORNE
Wide World Features Writer

SALT LAKE CITY [illegible]—U. S. [illegible] 1,000 tons of rubber [illegible] to give away.

T[illegible] American [illegible] and anyone [illegible] for the asking.

True [illegible] off," but [illegible] almost negligible amount of capital outlay would be required to harvest it, and the federal agency can be persuaded to assume part of the costs [illegible] expecting any of the returns.

R. H. Rutledge, grazing service director, says the war slogan "Production Now" ought to mean immediate harvesting of the 3,743,000 acres of rabbit brush on federal land of the west—brush which weighs an estimated 4,113,000 tons and contains an average of 2.83 per cent of chrysil rubber.

That's 117,255 tons of rubber on grazing district alone. In state lands and other areas [illegible] the total to at least 150,000 tons [illegible] survey just completed under Rutledge's direction shows.

Ready For Harvest

"Here is a crop all ready to harvest, and it would seem especially desirable and practical in view of the present emergency to establish at least two processing plants in the west for the extraction of chrysil rubber," Rutledge said in reporting the survey.

So far as is known, the crop would be a once-only affair. Harvest it quick, get it to work for Uncle Sam, and forget it, Rutledge explains.

Since rabbit brush is a nuisance on the rangeland, crowding out grasses and shrubs valuable for forage, the grazing service put men to work to study its removal as soon as its value as a source of rubber became apparent.

Service experts are now conferring with officials of a rubber company at Salinas, Calif., where a lot of work already has been done on processing guayule, another western rubber-bearing plant.

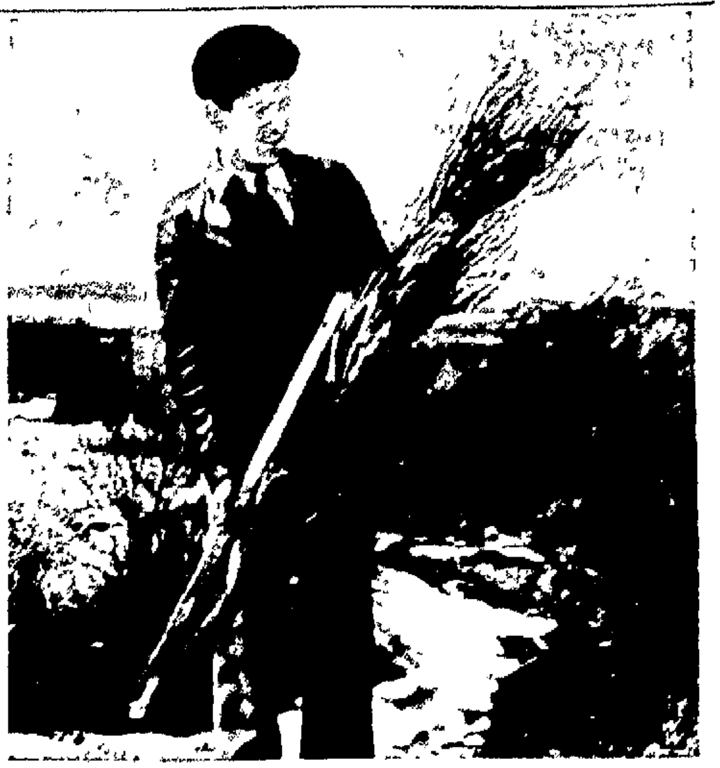
Guayule has a higher rubber content than rabbit brush but grows over a less extensive area and requires more care in harvesting.

Possible Yield

Given a processing plant well equipped to handle rabbit brush—and government funds for the Salinas plant already are indicated—any farmer, stockman, migratory "okie" or resident WPA worker can harvest enough brush daily to keep a truck moving back and forth to the nearest mill point.

Rabbit brush grows in wide areas in nine western states with Nevada, New Mexico and Oregon leading in commercial quantities.

Rutledge's agency wants to plant valuable grasses on the areas now choked by the sprawling brush, so if someone will step forward for a conference he will find the service ready to offer assistance.



It looks like this—the rubber-bearing rabbit brush. Yardstick held by range worker shows average height of the growth.

PARTY AT FOREST

FOREST—Mrs. Sylvia Hongendobler was honored guest at a birthday dinner at the home of her son and daughter-in-law, Mr. and Mrs. William Hongendobler and family Sunday. Other guests were Mr. and Mrs. Earl Hongendobler and family, Mr. and Mrs. Carl Price and family, Mr. and Mrs. Joseph Hongendobler and family, Mr. and Mrs. Everett McDaniel and family, Wave and Grace Hongendobler.

The Stars Say—

For Friday, April 24

According to the ruling lunar and mutual aspects this may be a difficult and treacherous day with many snares, pitfalls, and sinister undercurrents menacing all progress, enjoyment and fulfillment, as this subtle and sinister element seems to pervade all relations business and personal. All concerning writings, agreements, documents, financial transactions, as well as travel, agents and promotional enterprises may be threatened unless extraordinary vigilance, precaution and safeguards be employed. Be wise with speech as well as pen, and be guided by old heads rather than young intriguers.

Those whose birthday it is may find themselves beset and menaced by a host of intriguing, treacherous, erratic and peculiar circumstances during the year, these invading the private, domestic and emotional life as well as business and financial. All phases of plot, trickery and subtlety menace, and great danger may arise from careless or designing speech or writings. Sign all papers cautiously, be alert to queer persons and schemes, consult elders rather than young intriguing or shrewd heads. Be discreet with public or community affairs.

A child born on this day should have much cunning, shrewdness and cleverness possibly erratic or peculiar in tendency. It may suffer deception and treachery as well as be inclined to perpetrate them, unless given rigid early training and discipline.

MARION CO. CATTLE IN STATE SALE LIST

Annual Aberdeen-Angus Event Scheduled Monday.

Three Marion county stock farms will be represented in the third annual Ohio Breeders Aberdeen-Angus cattle sale at the Ohio state fairgrounds Monday, sponsored by the Ohio Aberdeen-Angus Breeders' association. A show and judging of the cattle will be held in the morning, the sale in the afternoon, with 19 bulls and 54 heifers entered.

Marion county men entering cattle and the number each has entered are Harry Strine of near Waldo, five heifers; J. H. Smeltzer of near Green Camp, three heifers, and Lawrence Welss of south of Marion, one heifer.

In last year's show, stock bred on the Strine farm won championship and reserve champion awards.

Ashley News

ASHLEY—Walter Mosher and daughter of Wichita, Kan., are visiting Mr. Mosher's father John Mosher near Ashley.

Miss Verna Mae Ashburn, employed in Columbus, spent the week-end with her parents, Mr. and Mrs. Glenn Ashburn.

Mr. and Mrs. Clyde Barnes of Columbus and Mr. and Mrs. Mark Hurlow and family of Galion were Sunday visitors of Mr. and Mrs. Will Hurlow.

Mrs. J. A. Conlin of Chicago, Ill., is visiting her parents, Mr. and Mrs. M. E. Ballou.

Mr. and Mrs. Clarence Patzer of near Galion were Sunday visitors of Mr. and Mrs. Wesley Coomer.

Mr. and Mrs. Bill Rees and Hubert Rees of Columbus visited Mr. and Mrs. J. R. Shoemaker, Sunday.

Mr. and Mrs. Thomas Lea and son of Millersburg were Sunday visitors of T. W. Lea and Miss Una Lea.

Mr. and Mrs. Carl Dunham and Mr. and Mrs. Marion Dunham and family of Mansfield and Mrs. Clara Hatten of Ashley were Sunday visitors of Mr. and Mrs. C. L. Bennett.

Mr. and Mrs. Baxter Bartholomew spent Sunday at Waldo with Mr. and Mrs. Clark Heiden.

Mr. and Mrs. Elvin Helman and Mr. and Mrs. John Helman visited Miss Martha Forland in Cleveland Sunday.

Mr. and Mrs. Ralph Jacoby and family of Dresden and Mr. and Mrs. R. B. Warner of Ashley were Sunday visitors of Mr. and Mrs. Homer Jacoby near Ashley.

Mr. and Mrs. Finley DeWolfe and family of Columbus were week-end visitors of Mr. and Mrs. J. B. Hanover.

Mrs. Dorothy Fleming of the Girls Industrial school near Delaware spent the week-end with Mr. and Mrs. Ernest Fleming.

Mr. and Mrs. Stanley Jividen and family of Mansfield visited Sunday with Mrs. Jividen's mother, Mrs. Norma Strohm.

Mr. and Mrs. T. W. Burnside were Sunday visitors of Mrs. Burnside's mother, Mrs. Lillie Wheeler at Richwood.

Mr. and Mrs. Mahlon Heimlich were Sunday visitors of Mr. and Mrs. James Bliss near Plain City.

Mr. and Mrs. Ernest Scott, Mrs. Margaret Whalen and Miss Rita Whalen of Columbus were Sunday visitors of Mr. and Mrs. John Hershey.

Mr. and Mrs. Wesley Miley visited his parents, Mr. and Mrs. A. F. Miley in Norton Sunday.

Mr. and Mrs. Harley Bueneider and children of Lexington were Sunday guests of Mrs. Thomas Boger.

For the protection of pedestrians on dark roads at night a Florida woman has invented reflector buttons to be attached to shoes with rubber straps.

War Woes in South America

Soar, Supplies Shrink, Although Nations Are Not Active Belligerents.

JANEIRO, Brazil, April World)—The effects of are beginning to make felt in the daily lives of mericans, although they belligerents.

as high as a dollar a nama and most foods led the United States

ationed at the approach Argentina. An Ar- have a priority to car. He is plagued by and tire shortage. downtown brilliance at night to save elec- theaters are required to to save fuel. newspapers are for lack of newsprint. telephone companies waiting lists of sub- because they are unable facilities. Stores still stocked but have little of replenishing many of cotton and silk and other imported wares.

piles of unsalable wheat and corn, whose export to Europe once formed a pillar of Argentine economy, are the visible evidence of the strain. Inflation is threatened because there is an influx of refuge funds and a dearth of commodities.

The plight of Argentina is typical. The shortage of shipping, priorities and conversion of consumer industries to war production in the United States has cut off the import of manufactured goods and the cost of living is soaring.

Agricultural Change

Many of the agricultural products which South America formerly sent to Europe and North America are now considered luxuries which the warring countries cannot afford or cannot take home. South America is being asked to produce minerals, rubber and other war materials, long left locked in her jungles and mountains.

But South America is handicapped now by shortages in getting the mining machinery, the railroads, the ships and the skilled labor needed to develop her resources.

While the boom in strategic war materials helps, it fails to reach the majority engaged in agricultural pursuits.

In Uruguay living costs have soared 20 per cent since 1939. Unemployment has risen from lack of coal and materials to operate a few small industries.

Headache for Mexico

For Mexico the war is mostly a headache, although she has a mining boom. Like most South and Central American countries her economy is poorly integrated.

Mexico formerly got sugar from Cuba, but now the whole Cuban crop is pledged to the United States. She also needs corn from the United States, materials for her new factories and materials for new roads and railroads.

Puerto Rico's jibaro (peasant) who customarily puts all his land to sugar cane, tobacco and such cash crops, may find his eating habits made over.

Because of the shipping shortage food imports have been ordered cut from 326,000 tons in 1942 to 262,000 tons.

Panama's Problem

Panama has a boom in the demand for labor because of canal and military construction, but farm implements are needed to supply food and the government has had to move to impose price ceilings.

Another Central American country, Nicaragua, imported 60 per cent of her foreign purchases from the United Staets before he war. Now she gets 84 per cent from that source. But priorities and shipping are threats to the supply.

In general the same story applies to Honduras, Costa Rica, Ecuador, Paraguay, Bolivia and Guatemala, backed up, surpluses and an effort to turn to new economic resources.

Cuba is sitting pretty with the United States an eager taker of all the sugar she can raise and ship.

One industry, cigar making, has been jolted because Britain cut off her purchases. Cuban cigar sales dropped from $37,000,000 in 1926 to $12,000,000 in 1940, but rose slightly in 1941 thanks to United States buying.

Argentine exports have reached a new high, $117,000,000 in 1941, but Argentine industry appears depression-bound for want of materials.

Brazil, second largest cane producer of the western hemisphere, expects to enjoy the fruits of a policy of 10 years by which the National Sugar and Alcohol Institute has directed production and alcohol refining. The institute has done much to solve Brazil's motor fuel problem by requiring the use of alcohol in gasoline.

Waldo Bridge Club Meets with Mrs. Cook

Special to The Star

WALDO—The Emanon Bridge club met Friday evening with Mrs. Claude Cook. Mrs. Arthur Wick was a guest. First prize went to Mrs. Russell Sycks. Galloping prizes to Mrs. Ray Burnoskey and guest prize to Mrs. Wick.

$74,563 PROGRAM OF ROAD WORK SET

Surface Treating, Dragging Treatment Scheduled.

The Marion county commissioners have announced bids for materials and labor for county road projects estimated to cost $74,563 will be received in the commissioners' office in the courthouse until May 6.

The projects include surface treating 16 county roads at an estimated cost of $17,093.52 and drag treating 20 county roads at an estimated cost of $57,469.48.

Roads or sections of roads to be surface treated are as follows: Goodnow road, Irvin-Shoots road, Prospect-Upper Sandusky road, Agosta-Mecker road, DeCliff-Big Island road, Agosta-North road, LaRue-Green Camp road, Winnemack road, Mt. Olive-Green Camp road, Owens-Green Camp road, Smeltzer road, Gearhiser road, Ringert road, Claridon-Westfield road, Linn-Hipsher road and Fountain street.

Roads which will be drag treated are as follows: Morral-Kirkpatrick road, Mecker-Upper Sandusky road, Kenton-Galion road, Joint county road, Wildcat road, Kenton road, Clark road, Essex road, Ground Hog road, Berry road, Centerville-Prospect road, Smeltzer road, Owens road, Hoffman road, Rengert road, East River road, Cardington road, Salem road, Linn-Hipsher road and Hurr road.

EUROPE

(Continued from Page 1)

ported "successful" German offensive operations on the northern (Leningrad) and central fronts, and asserted that Finnish troops in Karelia, north of Leningrad, had beaten off 150 Red army attacks in 10 days with a toll of 11,000 Russians killed.

France's new role in the war, particularly her collaboration with the axis, was sharply emphasized today by a series of developments:

1. The Union of South Africa, a part of the British empire which would probably be given the task of dealing with Madagascar, broke off relations with Vichy.

It is about 800 miles from Durban, South Africa, to Madagascar.

2. In London, a British spokesman said "it is now reported that 50,000 tons of French shipping have been taken over by Japan."

3. High-ranking United States diplomats, it was disclosed, have been newly transferred to Brazzaville, in Free French west Africa, and to Nigeria and Liberia in an evident move to strengthen the U. S. diplomatic front in Africa.

Observers said these station are usually assigned to newcomers.

4. In Vichy, Premier Laval himself received the Japanese ambassador-designate, Takonobu Mitani.

5. The Vichy government went to the length of issuing denial of Moscow radio reports that German sailors were arriving at the French Mediterranean naval base at Toulon and that French warships were being turned over to Germany.

The statement also denied reports "of a fight between French and German sailors."

* * *

Germans Nervous Over Invasion Threat

LONDON, April 23—Following close upon yesterday morning's commando raid at Boulogne, dispatches from Stockholm, reported today the German expectancy of and preparations for allied invasion of western Europe had considerably increased.

British sources here counseled correspondents to "remember Von Rundstedt." Field Marshal General Karl Rudolf Gerd Von Rundstedt, whose name generally is associated with the German army's offensive operations, was reported a week ago to have moved into France.

Older reports were that Von Rundstedt had gone there to strengthen defenses of that German-dominated country against invasion but current advices were that he went there with parachute troops.

Despite the German offensive suggestion in this latest report on the game of nerves—who's going to invade whom and where?—it appeared that the Germans were more apprehensive than the British.

In contrast to Britain, where responsible leaders have said they expect air-borne invasion on a "diversionary scale" sometime, and expect to repel it, Stockholm dispatches said the Germans were taking hasty precautions along their entire western "front"—from northernmost Norway to France.

The Berlin correspondent of the Stockholm Dagens Nyheter was permitted to write for his newspaper that "certain optimists are convinced the British will come by May 1" The British regard this as a feeler so obvious that anxiety must have dictated it.

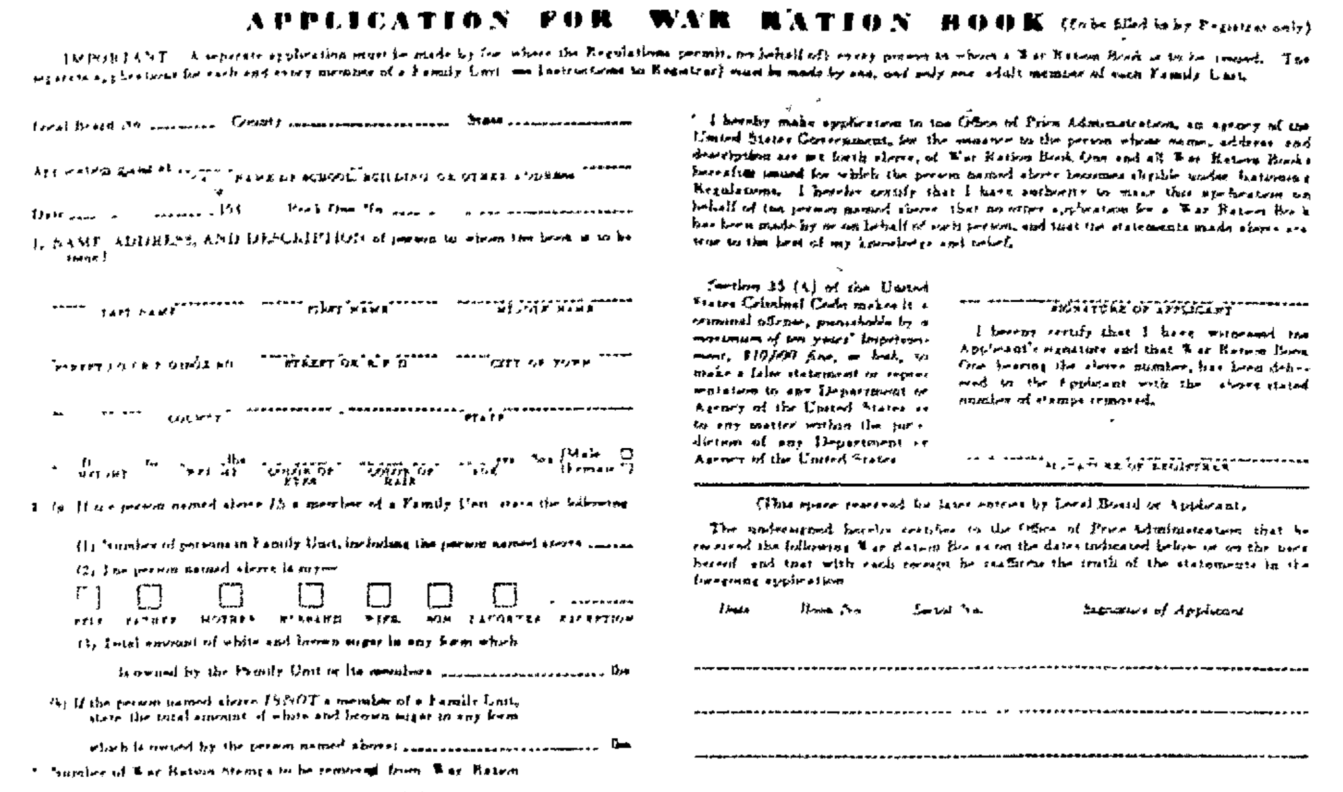
* * *

Two More Axis Ships Sunk in Arctic

KUIBYSHEV, RUSSIA, April 23—Soviet navy units sank two more axis vessels in an Arctic maritime accompaniment to Red army drives against German-Finnish positions on the northern front, the Russians announced today.

"Our ships sank a 5,000-ton German tanker and a 4,000-ton transport in the Barents sea," the Soviet information bureau said.

Have Answers Ready for This Sugar Rationing Application



APPLICATION FOR WAR RATION BOOK (To be filled in by Registrar only)

IMPORTANT—A separate application must be made by (or, where the Regulations permit, on behalf of) every person to whom a War Ration Book is to be issued. The separate applications for each and every member of a Family Unit (see Instructions to Registrar) must be made by one, and only one, adult member of each Family Unit.

Local Board No. .... County .... State ....

Registration made at .... (NAME OF SCHOOL BUILDING OR OTHER ADDRESS) ....

Date ...., 194.. Book One No. ....

1. NAME, ADDRESS, AND DESCRIPTION of person to whom the book is to be issued:

.... (LAST NAME) .... (FIRST NAME) .... (MIDDLE NAME) ....

.... (STREET OR R. F. D.) .... (CITY OR TOWN) ....

.... (COUNTY) .... (STATE) ....

.... (HEIGHT) .... (WEIGHT) .... (COLOR OF EYES) .... (COLOR OF HAIR) .... (AGE) Sex {Male ☐ Female ☐}

2. (a) If the person named above IS a member of a Family Unit, state the following:

(1) Number of persons in Family Unit, including the person named above ....

(2) The person named above is my—

☐ SELF ☐ FATHER ☐ MOTHER ☐ HUSBAND ☐ WIFE ☐ SON ☐ DAUGHTER .... EXCEPTION

(3) Total amount of white and brown sugar in any form which is owned by the Family Unit or its members .... lbs.

(b) If the person named above IS NOT a member of a Family Unit, state the total amount of white and brown sugar in any form which is owned by the person named above: .... lbs.

3. Number of War Ration Stamps to be removed from War Ration Book One (upon the basis of information stated above): .... (IF NONE, WRITE NONE)

4. I hereby make application to the Office of Price Administration, an agency of the United States Government, for the issuance to the person whose name, address and description are set forth above, of War Ration Book One and all War Ration Books hereafter issued for which the person named above becomes eligible under Rationing Regulations. I hereby certify that I have authority to make this application on behalf of the person named above, that no other application for a War Ration Book has been made by or on behalf of such person, and that the statements made above are true to the best of my knowledge and belief.

Section 35 (A) of the United States Criminal Code makes it a criminal offense, punishable by a maximum of ten years' imprisonment, $10,000 fine, or both, to make a false statement or representation to any Department or Agency of the United States as to any matter within the jurisdiction of any Department or Agency of the United States.

.... (SIGNATURE OF APPLICANT)

I hereby certify that I have witnessed the Applicant's signature and that War Ration Book One bearing the above number, has been delivered to the Applicant with the above stated number of stamps removed.

.... (SIGNATURE OF REGISTRAR)

(This space reserved for later entries by Local Board or Applicant.)

The undersigned hereby certifies to the Office of Price Administration that he received the following War Ration Books on the dates indicated below or on the back hereof, and that with each receipt he reaffirms the truth of the statements in the foregoing application.

Date	Book No.	Serial No.	Signature of Applicant

OPA Form No. R-301 U. S. GOVERNMENT PRINTING OFFICE 16—26650-1 (Continue on reverse side)

DEFENSE AREA

(Continued from Page 1)

prepared to go to Washington at any time a conference can be arranged, and emphasized that the housing problem here is one of providing living quarters for workers of the Scioto Ordnance Plant.

Earlier action on getting defense area ratings for Marion include a recommendation by Mr. Mackelmann that the city be given these ratings at once, a similar recommendation by the Ohio representative of the federal housing authority, a letter from Mayor Snare seeking such action in behalf of the city and a letter from Col. Huling to the war department urging its cooperation in getting the ratings for the city.

Such ratings would immediately clear the way for remodeling and new construction work to provide housing for defense workers. Without such ratings, housing work in Marion would be held at a standstill by priorities on materials needed for building.

* * *

(A news story about two tentative privately-financed housing projects for Marion appears below).

* * *

Applicants for sugar rationing books are urged by the Office of Price Administration to study carefully the application card reproduced above and have the correct answers when they register on May 4, 5, 6, and 7. A separate application must be made for every person for whom a ration book is issued, but only one member of each family unit is to appear at the nearest elementary school to apply for all members of the family.

This is the biggest registration job ever undertaken in so limited a time in the United States. Within four days the nation, 130,000,000 men, women and children will be registered and will receive their ration books. To accomplish so big a job in that short space of time, the Office of Price Administration, which administers rationing is urging every applicant for a ration book to come prepared with accurate information to all questions which the registrars will ask when filling out the application form.

Have Answers Ready

If you answer these questions promptly, OPA estimates it will only take four minutes to fill out this form. One and a quarter million school teachers will act as registrars.

1. Applicants should come prepared with a list of the members of their families, giving the exact name of each.

2. An exact description of each member of the family unit, giving the height, weight, color of eyes, color of hair, age and sex of each one.

3. The person who registers for the family unit must state his or her exact relationship to each member of it.

4. It is necessary to know to the pound just how much sugar is in the possession of the household. The amount of sugar will be divided by the number of people in the family units and stamps will be torn out by the registrar for all sugar in excess of two pounds per person. If more than four stamps have to be removed, issuance of the book will be withheld until later.

One to Represent Family

One—and only one—member of each family unit is to go to the elementary school nearest to the person's residence to register and to apply for ration books for the whole family, OPA emphasizes. Single people not members of a family unit, even if they board with a family, must apply for themselves.

A family unit has been defined by the Office of Price Administration as "a group of two or more individuals consisting of all persons who are living together in the same household who are related by blood or marriage."

OHIO WOMAN DIES

By The Associated Press

XENIA, O., April 23 — Mrs. Jennie C. Bradfute, 78, whose late husband, Oscar, was first president of the American Farm Bureau Federation, died today.

GAS RATIONING

(Continued from Page 1)

before the new, permanent ration plan goes into operation in July.

Thus, a person wishing to use his automobile for a vacation trip could consume his entire gasoline quota on the trip—but would have to store away his automobile afterward until new ration allowances are made. Drivers entering the rationing area from other states will be issued ration cards by local rationing boards nearest the border. Eventually, it was understood, a "no sale" belt about 50 miles wide will be established around the ration area to prevent restricted motorists from crossing in other states to buy gasoline.

States in which the rationing will be enforced are Connecticut, Delaware, Florida, Georgia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Vermont, Virginia and West Virginia.

90 PER CENT EXCESS PROFIT TAX PROPOSED

House Committee Studies Revenue Suggestion.

By The Associated Press

WASHINGTON, April 23 — A proposal that corporate excess profits taxes be lifted to the unprecedented level of 90 per cent was studied by the house ways and means committee today as it awaited details of President Roosevelt's anti-inflation program expected to be announced next week.

The increase from the present 60 per cent maximum was advocated by statisticians employed at the capitol to assist in writing new tax measures and came during the committee's first-day discussion of the administration's $7,000,000,000 tax program.

Secretary Morgenthau's tax aids were reported to have told the committee there would be no objection to going above the 75 per cent level they recommended, but the increase should be coupled with a reduction of normal taxes.

They'll Get Shoes

SAN JUAN, P. R.—A bill to appropriate $50,000 to buy shoes for poor Puerto Rican school children was introduced in the Legislature after a census showed 82,084 children attended school barefoot.

Two Large Tracts in Marion Suggested As Housing Sites

Scofield Heights Property and Zachman Farm Mentioned As Possible Development Areas.

Private capital will make a substantial contribution toward meeting the housing problem expected to grow out of the Scioto Ordnance Plant, it was indicated today.

Although the housing problem is not immediately acute, a market for homes to rent is developing rapidly as construction workers pour in. It is estimated that slightly less than 1,000 persons have come here in connection with the ordnance plant to date. Although most of the construction workers are expected to be housed in sleeping rooms in Marion homes, many of the persons here are seeking homes or apartments for rent.

In addition to reports that more than 100 houses will be started here at scattered points throughout the city as soon as priority problems are cleared, there were widespread reports today of plans to develop housing projects at two large sites.

One of these is Scofield Heights, which has been mentioned repeatedly as a likely site for a sizeable privately-financed housing development. Latest reports are that negotiations are pending that may result in construction of some 100 to 150 houses in that area. This is located on the south side of Bellefontaine avenue just west of Windsor street. The area already has some sewer facilities, and is surrounded, except on the south, by built-up areas.

Another Area Considered

Another possible development that has been mentioned is on the east end of Mt. Vernon avenue around the Zachman farm. In connection with possible development of this area, there has been some preliminary study of the possibility of extending Forest Lawn boulevard southward from Mt. Vernon avenue to encircle a large area and to the boulevard into Vernon Heights boulevard somewhere around Virginia avenue. Such a move would open an area that could accommodate a large number of new houses.

Meanwhile, a large number of Marion residents have drawn tentative plans to remodel their homes as soon as priority difficulties are removed. These plans call for converting large single houses into several apartments or duplexes, or converting part of a single house into an apartment with its own entrance. In some instances property owners are considering selling their present homes and building new ones for themselves if the way is cleared for construction work. However, the possibilities in this respect are limited because new houses can be built only for use of defense workers. A non-defense worker could not build a house for himself, even if he is a renter, as regulations now stand.

Officially Approved

The plans for private capital to go ahead with a substantial housing program follows an announcement two weeks ago by army officials that private capital will be given first chance to build houses for Scioto Ordnance Plant workers. The federal government will step in only to bridge whatever gap remains after local builders have carried out their program.

Women's Clubs Draft Anti-Strike Resolution

By The Associated Press

COLUMBUS, O., April 23—The Ohio Federation of Women's clubs today considered resolutions urging congress to make "inciting strikes" in war industries a criminal act and to curb collection of "excessive" union fees and dues from persons taking defense jobs.

Mrs. M. Y. Newcomb of Cincinnati, federation president, said a third proposal would recommend that the government reduce all non-defense expenditures to the "lowest reasonable minimum."

The labor resolution stated that the inciting of strikes "fomenting of labor troubles, shutdowns, sitdowns or slowups" should be made a "disloyal act punishable as a criminal offense."

Housewives May Be Asked To Save Tin Cans

By The Associated Press

CLEVELAND, April 23—Housewives may be asked soon to save tin cans for reclamation.

Burton Parks of the bureau of industrial conservation indicated this possibility in a salvage clinic sponsored by the war production board. Parks said that heretofore lack of adequate facilities for recovering the tin had discouraged the saving of tin cans.

A law to require individuals to turn discarded rubber over to a scrap collection agency was advocated at the clinic by William Welch of Chicago, president of the Midwest Rubber Reclaiming Co.

ARCHBISHOP INSTALLED

By The Associated Press

CANTERBURY, England, April 23—In a solemn ceremony which had its origin centuries ago, Dr. William Temple was installed today as archbishop of Canterbury and "primate of all England" while 45 bishops stood by in sandbagged, bomb-pocked Canterbury cathedral.

ESCAPES FROM HOSPITAL

By The Associated Press

LIMA, O., April 23—Northwestern Ohio police today hunted Charles Smith, 54, Lima state hospital trusty who escaped from the dairy barn last night. He was charged with first degree murder in Toledo in 1934.

Nine Toledo Laundries Close in Labor Dispute

By The Associated Press

TOLEDO, April 23—Nine major laundries and linen supply companies members of the Laundry Owners Association of Toledo, closed their doors today.

A contract between the association and the Amalgamated Clothing Workers Union, CIO, expired at Monday midnight. Notices were posted at the laundries informing employes there was no work for them today.

J. Paul Upson, president of the Quality Laundry Co., spokesman for the association, charged in a statement that the union broke faith with the Laundry Owners association by calling a strike at the New Method laundry yesterday.

DIGGING IN OHIO TO RECLAIM SCRAP STEEL

A big shovel digs into the huge slag pile from Mahoning valley steel mills near Warren and Youngstown, O., being reclaimed to provide scrap steel. Workmen are also using magnetic cranes and hand picks tapping the waste pile for an estimated 100,000 tons of usable iron scrap. "The slag pile is a monument to our extravagance in the past," Joseph B. Horwitz, Cleveland steel and iron scrap broker said. Contractors estimate the reclamation will take at least two years.

NOTABLES IN RADIO PROGRAM TONIGHT

Hero O'Hare Among Speakers in War Savings Broadcast.

Elmer J. Schoenlaub, chairman of the Marion County War Savings Staff, has received word from the national War Savings Staff that Secretary of the Treasury Henry Morgenthau Jr., Secretary of Agriculture Claude R. Wickard and leaders of business and labor organizations will speak in a special broadcast Thursday night over the Blue Network from 10 to 10:30 p. m. The broadcast will be devoted to discussion of the National War Bond quota system and the 10 per cent payroll savings plan.

A special guest on the program will be the hero navy pilot, Lieut. Commander Edward Henry O'Hare, who was promoted from the rank of Lieutenant for bringing down six Jap planes in a single combat. Other speakers on the broadcast will include William Green, president of the American Federation of Labor, Philip Murray, president of the Congress of Industrial Organizations, W. P. Withrow, president of the National Association of Manufacturers, John W. O'Leary, chairman of the executive committee of the United States Chamber of Commerce; and T. C. Cashen, chairman of the Railway Executives association.

Commandos Find Thin Nazi Line on French Coast

By DEWITT MacKENZIE
Wide World War Analyst

The significance of the British commando raid on the coast of France in the neighborhood of the important channel port of Bologne is the fact that the Britons encountered so little Nazi resistance that they were able to scout about for two hours and then withdraw without losing a man.

This daring raid lends confirmation to recent reports that, because of the urgent demand for troops on the Russian front, the Germans haven't been holding the channel coast in full strength. The Boulogne area is of the utmost military importance, and one would expect it to be about the last place the Nazis would leave with light protection, in view of their reported fear of an allied invasion.

This ancient port lies within sight of the white cliffs of England, and is one of the harbors nearest the coast. German big guns can easily drop their freight of death on British towns from there.

It was from Boulogne that Napoleon in 1804 proposed to invade England. But he abandoned this dangerous enterprise.

The fact that the Commandos found the section fairly easy of access gives wonder to what the situation may be at less important points along the French and Belgian coasts. That is a point which the allies are bound to be investigating.

One of the great values of such a raid of course is to stimulate the Nazi fear of an invasion. Constant prodding by the commandos certainly would compel the Nazis to man defenses strongly, from Norway to Brest, for fear that one of these black-faced expeditions might be the spear-head for a major landing.

This would have the effect of making Hitler defend two fronts at once—something which every commando dreads and which the Nazi chief especially fears in view of the terrific pressure from the Red army.

These raids undoubtedly give courage to the rising revolt among the French people. That, too, is a very real threat to Hitler.

When we also take into account the fierce onslaught which the Royal Air Force is making on France and Germany, the cumulative offensive should prove of great value to the Russians, who have been urging that the allies create another front.

Word that American airmen and commandos are joining the British in these adventures against western Europe can bring no joy to Hitler.

Out of all this one would expect to see emerge a real invasion of western Europe by British and American fighting men. That it will come sooner or later there can be small doubt, and we are safe in saying that it will be at the earliest feasible moment.

O'HARE'S PROMOTION UP

WASHINGTON, April 23—The nomination of Lieutenant Edward O'Hare, the navy flying ace who shot down five Japanese bombers and damaged a sixth in engagements over the Pacific, to be a lieutenant commander was sent to the senate today by President Roosevelt.

ROBBERS OPPOSE FIGHTING

DENVER, April 23—Two men, claiming conscientious objections against bearing arms, protested to the state selective service headquarters against 1-A classifications. The headquarters staff investigated. Both men had served prison terms for robbery with a gun. Now they are 4-F, exempt from call.

NEWARK WOMAN INDICTED

COLUMBUS, O., April 23—Mrs. Margaret J. Davis, 35, of Newark was indicted on a second degree manslaughter charge today in the traffic death of Thomas H. Brown, 66, of Newark, County Prosecutor Ralph J. Bartlett reported. He said the charges resulted from an automobile accident in route 40 east of Reynoldsburg last March 15.

300 at District D. of A. Session in Marion Today

MRS. ETHEL YOAKAM

* * *

Members of Mary A. Canfield Council No. 210, Daughters of America, are hostesses to approximately 300 visiting daughters at the rally of councils in District No. 1 today at the Masonic temple. Mrs. Ethel Yoakam of the hostess chapter is general chairman in charge of plans for the affair. She is being assisted by a large committee.

This afternoon's session, scheduled to open at 1 p. m., was preceded by a luncheon for the visiting officers at Hotel Harding. Guests include Mrs. Judith Dunn of Piqua, state councilor and other present and past national and state officers.

Tonight's meeting set for 8 o'clock will be open to the public. National and state officers will be received and there will be a program of music and talks. Mrs. Cora Andreessen of Tiffin, superintendent of the National D of A home, will be the guest speaker.

FAREWELL PARTY GIVEN FOR GEORGE J. KRAMER

Group Honors Star Employe Leaving to Enter Army.

George J. Kramer Jr., who left the employ of The Star today on a leave of absence preparatory to induction in the army, was given a farewell party last night at Hotel Harding by a group of his associates in the office.

He was presented with a gift by the group.

Mr. Kramer has been a solicitor in the advertising department of The Star since Nov. 15, 1937. He came here after working for two and a half years as a field representative of Vitagraph Inc., national movie distributors. He was graduated from the University of Cincinnati in 1934 with an A. B. degree.

He will be inducted at Ft. Thomas, Ky., Friday morning. He is the ninth employe of The Star to enter the armed service. Others are: Corp. John R. Elliott, Pvt. William P. Elliott, Pvt. Hubert P. Goerlich, Lt. E. E. Hurley, Lt. Robert F. Melby, Pvt. Clarence E. Pfeiffer, Corp. James C. Woods and Pvt. Glenn Lester.

Attending the party were James C. Woods, Delmas Jenkins, H. Irwin Bassler, Jack Danner, Ross Aikin, Loren W. Tribals, A. W. Curtis, Phil Metzger, H. G. Greenfield, Marvin Thomas and Mr. Kramer, all of The Star staff, and William Horstman of Galion, who attended the University of Cincinnati with Mr. Kramer, and J. J. Huebner, uncle of Mr. Kramer.

Anti-Inflation Message Expected on Monday

By The Associated Press

WASHINGTON, April 23—The White House gave a fairly definite indication today that President Roosevelt's anti-inflation message to congress would be sent up on Monday but that a fireside radio address on the same subject would be deferred to some other day.

NAVAL STAFF NAMED

By The Associated Press

ALLIED HEADQUARTERS, AUSTRALIA, April 23—Vice Admiral Herbert F. Leary announced today the makeup of a 14-man naval staff for allied forces in the southwest Pacific, headed by Capt. J. Cary Jones of the U. S. navy. Ten other American officers will serve under Captain Jones, the chief of staff. One Netherlands East Indies officer and two Australians are on the list.

History Repeats

By The Associated Press

FORT GEORGE G. MEADE, Md. — Private Jack O'Beirne knows history repeats itself. He enlisted in the first World war and drew kitchen police on his first day in the army. But before the day was over, he was shifted to the supply room. He enlisted in the current World war. His first-day chores were kitchen police, then supply room.

12 INTERVIEWED IN CITIZENSHIP QUIZ

Applicants Urged To Attend Educational Meetings.

[illegible] Rosenberg, a deputy [illegible] naturalization and immigration department office in [illegible], interviewed 12 applicants for naturalization in the [illegible] the clerk of courts in [illegible] courthouse yesterday.

[illegible] Rosenberg replaced Albert [illegible], who is connected with the Cincinnati office and who is [illegible]. The interviews are conducted [illegible] about twice every year, depending upon the number of [illegible] to be interviewed.

Purpose of yesterday's interviews, Mr. Rosenberg said, is to [illegible] a preliminary examination [illegible] all petitioners for naturalization.

Those interviewed were: Josephine Nicolosi of 150 Scioto street; Watson K. Whitman of [illegible] Mary street; Petrina Nicolosi of 141 Waterloo street; Walter [illegible] of 224 Chase street; Wilfred [illegible] Orton of 368 Commercial street; John W. Readey of 484 [illegible] street; Cirolima Calcaterra [illegible] Chestnut street; Fred [illegible] of 199 Superior street; [illegible] L. Thompson of 265 Spencer street; Gerolima Manzo of [illegible] West Columbia street; Frank [illegible] of 1006 West Center street and Tindaro Barbara of 228 Senate street.

All 12 applicants must undergo a 90-day probation period before further examination and all are urged to attend the national citizenship education program conducted four times weekly at the Y. M. C. A. by Mamie Thornburg.

District Briefs

MARYSVILLE — Charles Norton, prominent Marysville race horse driver, was bound over to the grand jury by Justice Richard Thrall on a charge of taking a road cart valued at $20. Warrant for his arrest was sworn out by Eugene Drumm, also a race horse enthusiast.

KENTON — Mrs. Marie Jones of Forest has been employed as assistant to FSA Home Economist Viola E. Woodruff in Hardin and Hancock counties.

GALION — J. Lawrence Maidens has been elected president of next year's senior class at Baldwin Wallace college at Berea. Maidens was graduated from the Galion High school in 1939. He is a member of Lambda Chi Alpha social fraternity.

UPPER SANDUSKY—A daughter was born Wednesday to Mr. and Mrs. Frederick Laudenslager of Salem township at Bucyrus City hospital.

MARYSVILLE—Daylight drills have been prescribed by Capt. Lee M. Scheiderer for Co. G, Ohio State Guard, and members will report for weekly drill next Tuesday at 7 p. m. Work in the open on camoflauge tactics will be featured in the drills.

UNITY MEETING SET

The weekly study class for the Marion Unity Center will be conducted Friday afternoon at 2:30 o'clock at Hotel Harding. In the evening at 7:30 there will be a meeting and lecture on "Health and Holiness," with Fannye Jordan Treaster of Columbus as leader.

For amateur use an electric carving machine has been invented that [illegible] models to produce accurate [illegible]

Teams Buy Places in National Tourney

By The Associated Press

COLUMBUS, April 23—Priorities prevail—and "prices" are frozen—in the 1942 American Bowling Congress tournament, too.

When scheduled teams are unable to compete their berths are "sold" on a first-come, first-served basis at a fixed fee of $5 per man for each event.

Five quintets have been prevented from participation. The positions went to five teams from Charleston, W. Va., whose applications received A-1-A rating. An even dozen additional contingents still are on the waiting list.

Two teams from Columbus, Ga., composed almost entirely of service men, disposed of their entries this week because the soldiers could not obtain leaves. A Muskegon, Mich., team withdrew because the members' employer insisted that they were needed at home in their war jobs.

Then there was a Waukegan, Ill., American Legion team that arrived at the tournament alleys tardy. The keglers said they understood the meet was operating on central war time instead of eastern.

The Charleston teams submitted their entry fees in ample time but failed to agree on dates before the ABC deadline, so they applied to "buy in."

Wednesday's top team count was a 2923 by the Patrick Henry Beers of Marion, Ind. The day's counts failed to dislodge present tournament pace-setters.

Presbyterian Women at Lindsey home

Mrs. J. R. Bishop, Mrs. A. H. Exton and Miss Jessie Henderson were associate hostesses when the Catherine Woods auxiliary of First Presbyterian church met Tuesday night with Mrs. C. H. Lindsey of 447 Windsor street. In keeping with plans for a "crazy" social hour the members were taken for a walk preceding a 6:30 o'clock supper served as a basket lunch.

A stewardship program was in charge of Miss Irene Reynolds, stewardship chairman. Mrs. E. O. Smith gave a poem, "Stewardship," and Miss Reynolds read a paper, "The Landlords and the Tenant." Miss Neil Loveland read a poem, "Dost Thou Ask a Gift of Me?" and the program closed with a stewardship service in which all members took part. The sum of $53 was realized in the semi-annual mite box opening. A meeting early in May was canceled and plans were made to close the season on May 19.

U. B. Aid Society At Home of Mrs. Fowler

Mrs. Harry Fowler of 428 North Prospect street was hostess to Circle No. 2 of the Ladies' Aid society of First United Brethren church Tuesday night. Mrs. Georgia Almendinger conducted devotions and Mrs. Marie Dilsaver offered prayer. Plans were made for a rummage and bake sale May 2 at the community house with the following committee in charge of arrangements: Mrs. Fern Ruggles, Mrs. Joe Porter, Mrs. Geraldine Bishop, Mrs. Ida Uncapher and Mrs. Georgia Almendinger. Mrs. Callie Rader and Mrs. Albert Click were guests.

Mrs. Marie Dilsaver presented an amateur hour. Mrs. Inez Porter won the contest and Mrs. Geraldine Bishop and Mrs. Fern Ruggles won honors in a fruit contest. Hostesses with Mrs. Fowler were Mrs. Myrtle Gandert, Mrs. Minnie Van Asbeck and Mrs. C. L. Myers.

Greenwood P.-T. A. Votes Nutrition Fund Gift

A contribution of $5 was made to the Red Cross nutrition fund at a meeting of the Greenwood P.-T. A. Tuesday night. Mrs. Cecil Baldauf, chairman for the benefit party April 10 reported $153 netted from the event. A contribution of $1 was made to the City council to help defray expenses for the district conference.

U. A. Nystrom showed a series of slides provided by the Marion Safety council. John Cheney, accompanied by Mrs. F. L. Hoover, whistled "The World Is Waiting for the Sunrise" and "Shortnin' Bread."

The fifth grade pupils won the room award for having the largest number of parents present and mothers of the fourth grade pupils were hostesses for a social hour. The table was decorated in a spring theme with magnolia blossoms.

SCOUTS' AID ASKED IN PLANTING TREES

Services at Camp Owens Requested for Saturday.

An urgent request for all Boy Scouts and Scouters to help complete the planting of some 2,500 pine trees at Camp John A. Owens Saturday morning was issued today by Fred Strother, Harding area Boy Scout executive.

Mr. Strother said all trees, which were received about two weeks ago, must be planted by Saturday in order to save them from drying out. Trees are now in bunches in the ground, but each tree must be planted separately, he stated.

The trees, which were obtained by O. H. Neimeyer, county game warden, for the protection of soil and wild life, are being planted in the west field at Camp Owens along Gooding pike.

R. M. Miller, district commissioner, is in charge of the planting, which is being done with the help of Boy Scouts.

BLACKOUT MEASURE VOTED AT KENTON

Ordinance Provides Penalty for Failure To Comply.

Special to The Star

KENTON, O., April 22—Kenton city council today placed in operation an emergency blackout ordinance, designed to protect air raid wardens, police, firemen and other officials of the civilian defense set-up in times of emergency.

Under its provisions, special police may enter homes to turn off burning lights; penalties up to $500 fine and six months jail sentence may be assessed violators; and no municipal or private liability is possible for injuries or damage sustained to persons or property as a result of blackout activities. Practice blackouts may be held upon order of the mayor.

Also during the important session, council passed a resolution calling for a vote at the Nov. 3 election on the question of a special two mill tax levy for general operating expenses. The levy, if approved, would be collected on the 1942 and 1943 tax duplicate.

ENTERTAINMENT GIVEN BY OAKLAND P.-T. A.

"Backward Party" Held Closing Attendance Contest.

A "backward" party at a meeting of the Oakland P.-T. A. Tuesday night was arranged as a special entertainment for the winning group in an attendance contest.

The program was in charge of Mrs. William Tharp and opened with a piano solo by Joyce Roberts. A playlet, "Living Statues," was presented with Mrs. Ellsworth Beach as narrator. Taking part were Mrs. Richard Plantz, Mrs. Edwin Price, Mrs. Harry Buckingham, Mrs. John Spicer and Mrs. Glen Kellogg. A vocal duet, with guitar accompaniment, by the Wilson sisters of Magnetic Springs was followed by a dance duo composed of Lois Murray and Helen Spicer and a vocal solo by Anita Buckingham. Alfreda Freeman and Reba Freeman entertained with accordion solos and Helen Louise Buckingham gave a reading.

Motion pictures were shown by Clyde Keeran with Mrs. Keeran as narrator. The pictures showed activities at Oakland school and Oakland church, downtown Marion and a comedy staged by neighborhood children and starring Billy McJunkin.

May 15 was announced as the date for the pre-school clinic and Mrs. Edwin Price, scout leader, announced that 25 girls were enrolled in the newly-organized Girl Scout troop.

Mrs. Richard Plantz was elected president, and Mrs. Edwin Price vice president to fill the vacancies made by the resignation of Mrs. P. C. Kyle and Mrs. Lowell Midlam, respectively, who are moving to other school districts in the city.

It was announced that a potluck supper at the home of Mrs. Wayne Murray of 653 Davids street tonight would close the season for the Mothers Study club. Mrs. Harvey Woy conducted devotions. Benediction by Rev. Marvin Crabtree closed the meeting.

BOARD FREES 5 MORE AUTOS

Sheriff and Ordnance Plant Inspector Get Cars; Tire Orders Issued.

Certificates releasing five new cars were issued at a meeting of the tire rationing board Wednesday night. The autos will go to:

Safety Cab Co. of 319 West Center street, two cars for taxicabs; Yellow Taxi Co. of 178 East Center street, one car for taxicab; County Commissioners at the courthouse, one car for sheriff; James D. D'Alfonzo of 186 Bain avenue, one car for ordnance plant inspecting.

Two applications for new cars were refused.

The following new tires, tubes and retreads, as listed, will go to:

Marion Co. Farm Bureau of 177 Park boulevard, one truck retread and 2 truck tires; Thomas E. Gaither, salesman, of 263 East Walnut street, 4 passenger car recaps; Standard Oil Co. of Campbell street, 2 truck tires; C. M. Strange of 336 North Prospect street, 2 passenger car tire retreads and 2 passenger car tubes; Yellow Cab Co. of 178 East Center street, 15 passenger car tire retreads; National Refining Co. of 422 Bellefontaine avenue, 2 truck tire retreads; C. A. Dubbs of 1 Cleveland court, 2 truck tire retreads; Railway Express Co. of 135 South State street, 3 truck tire retreads.

Dr. D. C. Alspach of 510 South Vine street, 2 passenger car tire retreads; Dr. F. V. Murphy of 332 North Prospect street, one passenger car tire retread; Safety Cab Co. of 319 West Center street, 18 passenger car tire retreads; Charles A. Yeager of near Marion, 4 passenger car tire recaps and one new passenger car tube; Paul O'Brien of 287 East George street, one passenger car tire retread; T. P. Gilliam of 215 State street, 2 passenger car tire recaps; Merchants Transfer Co. of 159 East Mill street, 4 truck tire recaps; Charles M. Ziegler, mail carrier, of 1139 East Church street, 4 passenger car tire tubes; Rev. W. K. Riggs of 242 North Grand avenue, 2 passenger car tires and 2 tubes; Rev. J. Howard Berridge of 325 Clinton street, 2 passenger car tires; City of Marion at City hall, one passenger car tire and two tubes; Zachman Wholesale Grocery Co. of 181 South Main street, 2 truck tires and two truck tubes.

Rev. C. W. Finch of 279 Park boulevard, one passenger car tire and one tube; Ohio Bell Telephone Co. of 132 West Center street, one truck tire and one tube; Rev. O. T. Swigart of 422 Forest street, 2 passenger car tubes; Don Irving of 221 West Center street, 2 passenger car tires and 2 tubes for trailer; William L. Gulliford, farmer, of near Marion, 2 tractor tires and 2 tubes; W. Hoover Brown, farmer, of 423 Mt. Vernon avenue, one truck tire and one tube; Parish Dairy Co. of 266 North Prospect street, two truck tires; Frank Bruno of 134 North State street, 2 truck tires and 2 tubes; L. R. Amrine and Sons of 505 North Main street, two obsolete passenger car tires and 2 tubes.

Cole's Coal Yard of 452 West Center street, 4 truck tire retreads, 2 truck tires and two tubes; Baker Wood Preserving Co. of Kenton avenue, one truck tire and one tube; Marion Plant Life Fertilizer Co. of West Center and Nye streets, one truck tire and one tube; Moores and Ross Co. of 142 Olney avenue, 4 truck tires and 4 tubes; Harruff General Tire Store of 134 South Main street, 824 pounds of camelback for retreads; Moser Tire Service of 255 North State street, 1,500 pounds of camelback for retreads.

The board also released one new typewriter to Marion Co. Commissioners.

Ashley Couple Honored at Sunday Dinner Party

Special to The Star

ASHLEY—Mr. and Mrs. Joy Graham entertained guests Sunday with a dinner in honor of the 35th wedding anniversary of Mrs. Graham's parents, Mr. and Mrs. Elmer Main. The guests were Mr. and Mrs. Will Strait, Mrs. Emma Main, Miss Sara Jean Slack, Mrs. Virginia Hansel and Mr. and Mrs. Willard Johnson.

Glass has been developed so strong that it withstands 1050 pounds of air pressure to the square foot.

C. Zant put together games of 194, 171 and 148 for a 511 pin total to take high individual honors in the Rainbow league last night at the Palace Recreation center. Other high single game scores included 185 by Mary Waddell, 157 by D. Dalton, and 154 by M. Mattes. Oliver Kesti rolled a 219 game in the Universal Cooler Corp. league to gain high one-man honors. B. Thompson had a 574 three-game total for high series mark.

Twenty games to 150 or over were rolled last night in the Ladies All Star "B" league at the Marion Recreation center. P. Snyder's 158 was high.

Following are individual and team three-game series totals:

Palace Recreation

Order of DeMolay Initiation Planned

A class honoring Simon Ruebel, grand master of the Order of DeMolay, will be initiated in May, it was planned at a meeting of Marion Chapter No. 288, Order of DeMolay, last night. Applications will be voted on at a special meeting May 6. The initiatory degree will be conferred on the class May 13 and the DeMolay degree on May 27. Plans were completed for sponsoring a softball team in the city league. Work in the initiatory degree was conferred on a class and the DeMolay degree will be given April 29. James Basser of Pennsylvania was a guest.

SOCIAL SESSION HELD

A potluck supper and social meeting was held by Our Lady of Victory circle, Daughters of Isabella last night at the Catholic Community Center. A number of the members will attend the annual state meeting to be held at Columbus early in May.

PRACTICE GAME FRIDAY

The SWOC 1949 softball team will play a practice game Friday night at 6:30 at the Marion Steam Shovel grounds with the Osgood team, Manager Frosty Gustin announced today.

SCOUT TROOP NO. 1 HOLDS OPEN HOUSE

Event Marks 30 Years of Activity, Repair of Rooms.

About 50 persons attended Boy Scout Troop No. 1's open house, held Wednesday night in Boy Scout club rooms in Elks building at 130 South State street. The open house was in commemoration of nearly 30 years of activity for Troop 1, which was organized in Nov., 1912, as well as to climax redecoration of the club rooms.

In the absence of J. F. Dombaugh, first scoutmaster of the troop, who was unable to speak at the meeting as scheduled, a short talk reviewing the troop's early days was given by Howard Guthery, Marion attorney, who was one of the charter members of the troop.

Pearl Whitehead, deputy regional Scout executive of Cincinnati, was not able to attend as scheduled.

A short talk was given by Bud Vinger, Cub Scout commissioner, who also made several presentations to cubs. Five service awards to Boy Scouts and three awards to Scouters were made. Scout handicraft was displayed, and Scouting stunts were given.

Also attending the meeting were Fred Strother, Harding area Boy Scout executive, and A. L. Thomasson, exalted ruler of Marion Lodge No. 32, sponsor of the troop.

Open house for members of the Lodge will be held tonight.

TO ACT ON SUIT

By The Associated Press

CINCINNATI, April 23 — The executive committee of AFL teamster union locals will meet tonight to ratify or reject a proposed out-of-court settlement of a common pleas court suit to depose T. J. Farrell as trustee of the locals, attorney Sol Goodman and J. W. Brown, counsel for the unionist-plaintiffs, reported.

Lieut. Jay Maish On Leave from Flying Field

Lieut. Jay Maish of Ellington Field, Texas, has arrived for a short visit with his parents, Mr. and Mrs. Jay H. Maish of King avenue. He will return to Ellington Field next Wednesday where he is an instructor in flying.

Mrs. Cramner Hostess to King's Daughters

Mrs. Zelma Cramner of 523 Bennett street was hostess for a meeting of Friendship circle of King's Daughters Tuesday night. Plans were discussed for attending a group convention at Bucyrus May 12 and Mrs. Hester Harriman, leader was named a delegate. Plans were made for a rummage sale May 8. A contribution of $3 was made to the free dispensary at the City hospital and a sunshine basket was arranged for a family.

Mrs. Lois Postle, Mrs. Peg McWilliams, Mrs. Lucille Brown and Mrs. Cramner were named to help in the sale of war stamps over the week-end. Named as a nominating committee were Mrs. Dolores Spicer, Mrs. Postle and Mrs. Olive Crozer. Mrs. Clara Riddle conducted devotions. The hostess was assisted by Mrs. Ruth Pace.

WESLEY CLASS MEETS

Mrs. Effie McCrery, Mrs. Bell Kellogg, Mrs. Bertha McElhaney and Mrs. Ida Orr gave readings at a meeting of the Women's Bible class Tuesday night at Wesley Methodist church. Mrs. Orr and Mrs. Ola Lauderbeck were hostesses. Singing of two hymns opened the meeting. Mrs. Kellogg conducted devotions and offered prayer.

AID SOCIETY MEETS

Mrs. W. E. Walker conducted devotions when the Ladies' Aid society of Forest Lawn Presbyterian church met Tuesday night with Mrs. J. A. Carriker at the manse on South Greenwood street. Mrs. H. E. Winters and Mrs. O. D. Betz won contest honors.

Kennedy Hurls 3-2 Tribe Win

Allows St. Louis Browns 5 Hits as Teammates Belt 9; Bob Elliott Leads Pittsburgh Victory.

ST. LOUIS, April 23—There is good reason for the Cleveland Indians to hope that they, too, can pick up a pitching cast-off who will make good.

Vernon Kennedy's five-hit 3 to 2 triumph over his old St. Louis mates at Cleveland yesterday was so authentic that the Tribe could well wonder whether it was making up for [illegible] pitching mistakes as parting with Whitlow Wyatt, Thornton Lee and Joe Dobson—only to see them turn into winners for other club.

The lanky righthander bore little resemblance to the man who won only three games while dropping 11 with the Browns and Washington last season.

George McQuinn's double was the only extra base blow off Kennedy and of the other four hits, one was a ninth-inning sacrifice bunt which counted only because Kennedy couldn't decide where to play the ball. Yesterday's defeat was the Brownies' fourth setback in a row and represented as many consecutive triumphs for the Indians.

Keltner Doubles

The Tribe tallied two of its runs after Otis Hockett singled, Ken Keltner sending him home with a line drive double. Keltner tallied the other run because Bob Muncrief intentionally walked Fleming to get at Manager Lou Boudreau, who singled off the right field wall.

The clubs came here to resume hostilities today on a tour which will keep Cleveland on the road until Sunday, May 10. Jim Bagby was Boudreau's pitching choice, with the Indians' old jinx Elden Auker ready to go for the Browns.

The New York Yankees collected 13 safeties, including a home run and two triples by Joe DiMaggio, to overpower the Philadelphia Athletics 11-5 and the Boston Red Sox rolled up 17 hits in walloping the Washington Senators 13-1.

The Chicago White Sox muzzled the Detroit Tigers 3-1 with Don Kolloway getting a double and two singles to figure in all Chicago's scoring.

Prize Experiment

The prize experiment of the year in the National league may turn out to be the transfer of Robert Irving Elliott from the outfield to third base by the Pittsburgh Pirates.

Manager Frank Frisch shuffles his lineups almost every day "just for luck" and has not the least hesitancy about switching a player from one position to another. But the shift that brought the Frisco kid in from the outfield was born of necessity.

Last winter Lee (Jeep) Handley was in an automobile accident and apparently suffered nothing more serious than scratches. But when reported at training camp in California he suddenly discovered his arm was "dead."

Onkel Franz canvassed his squad and came upon the 25-year-old Elliot, who six years ago, when he was breaking into organized ball played part time third base for Savannah in the South Atlantic league.

Here, Frisch decided, was the answer. In two seasons with the Pirates Elliott had indicated he never was going to be any Terry Moore as a ball hawk even though he showed lots of promise at the plate and was good enough last season to make the National league All-Star team.

Observers remained skeptical on Elliott, however, until the season actually was underway. Since then he has made everybody sit up and take notice. In nine games he has hit three home runs, to lead the league, and two triples, to tie for the lead.

His batting average is a gaudy 342 and his fielding and throwing have bordered on the sensational after a nervous debut.

Yesterday he contributed a two-run homer to Pittsburgh's 9-1 triumph over the Chicago Cubs, whose coach, Kiki Cuyler, said, "We've played both the Cardinals and Reds and I rate Pittsburgh ahead of them so far." The Pirates got seven-hit pitching by Luke (Hot Potato) Hamlin, the former Dodger star, and really looked formidable.

Brooklyn Sets Pace

However, Brooklyn retained its grip on the National league lead by beating the Boston Braves 1-0 in 12 innings. Whitlow Wyatt, making his first start of the season, kept the Braves scoreless for nine innings and gave up 10 hits. Hugh Casey kept them hitless and spotless the rest of the way. Jim Tobin held the Dodgers to four hits in 11 innings, but in the 12th Pewee Reese singled with the bases loaded and the party ended promptly.

Rookie Dave Koslo, a southpaw shut out the Phils 3-0 for the New York Giants with six-hit pitching

N. Y. Yankees' Murphy Heads Baseball's List of Unsung Heroes

Wide World Feature Service

NEW YORK—The reassurance Yankee baseball fans had awaited all spring came the other day.

Lefty Gomez quieted their anxiety.

"Having talked with Johnny Murphy and observed that his good right arm is strong and ready," Gomez announced, "I think I can say that I am in good shape and can be counted on for 15 wins again."

Gomez was credited with that many triumphs in the Yankee pennant drive last season, largely, Lefty confesses, "because Murphy was having a good year." The slender southpaw started all those games but the big right-hander was around at the finish of many of them.

You should know Johnny Murphy. The burly Irishman is an unsung hero of the Yankees' championship teams. He is perhaps the best relief pitcher in the majors. When the opposing fire gets too hot, they call out the fireman—Fireman Murphy. (Some call him Grandma, but Johnny doesn't approve.)

And he may have many fires to squelch this season because Gomez, the wise-cracking Castilian, is no longer a spring chicken and neither is Rufus the Red Ruffing, who also was clocked with 15 victories a year ago.

Seldom a Starter

Murphy has been with the Yanks since 1934 and has started few games. He's out in the bullpen when the first batter walks to the dish but he's often on the mound as the last hitter whiffs.

JOHNNY MURPHY

If Murphy has any ambitions to be a starting headliner he never talks about them. And, since smart Joe McCarthy knows just how valuable the fireman has been to the Yankee cause, it's a good bet that Johnny gets more lettuce than many of the game's well-publicized starters.

There isn't a strictly relief pitcher in the Big Show now who has been working at his trade as long as Murphy—eight years. And in that time he has won 73 games while losing 37 for the excellent average of .664. He is credited with World Series victories in 1939 and 1941.

Johnny was the Fordham Flash of 1929 and, after his great college season, was signed by the Yankees and sent to Albany. He spent the next two years with St. Paul and was with Newark in 1932-33. It was at Newark in 1933 that Murphy first gained fame as a reliefer. After he had been knocked out in his first three starting assignments, Manager Al Mamaux gave him one relief job after another and Johnny came through with flying colors.

Tough Spot To Be In

Relief pitchers generally come into games under the worst possible conditions, with men on bases, a tough hitter at bat and the game seriously in doubt. But, laboring under these circumstances, Murphy last year turned in the marvelous earned run average of 1.99. Bob Feller, the league's leading pitcher, had a 3.15 figure. Murphy has had only one poor season during his stretch with the Yanks. Here's his record.

Year	W.	L.	Ave.
1934	14	10	.583
1935	10	5	.667
1936	9	3	.750
1937	13	4	.765
1938	8	2	.800
1939	3	6	.333
1940	8	4	.667
1941	8	3	.727

The Yankees could spare quite a few of the aces on their star-studded roster before they could spare the Fireman. Seventy-three wins and 37 losses, that's a good lifetime mark and, remember, relief pitchers are credited or charged only with those games they personally win or lose.

There's no column in the record book to show the number of games they "saved" for some preceding twirler. And Murphy has saved a passel of them. Ask Lefty.

Kennedy Wins One

KENTON, O., April 23—The Kenton High school Wildcats were held to two hits as the Lima Central Dragons smashed out a league victory 26 to 0 at Lima. Kenton journeys to Lima South Friday in another Western Ohio league game.

Hunters in Ohio Get Double Break in Fall Season

By The Associated Press

COLUMBUS, O., April 23—Ohio's hunters get a double break under new rabbit and bird hunting schedules announced today by the State Conservation and Natural Resources commission.

Hunting will be permitted half an hour longer daily and sportsmen will get an extra Saturday in the field this year.

The rabbit and bird seasons—which open and close five days later than last year—get under way at noon Nov. 20. Hunting of rabbits ends Jan. 5 and ring-neck pheasants, Hungarian partridge and Grouse Dec. 5. This gives hunters seven Saturdays to shoot rabits and three for birds, as compared with six and two last year.

Hunting hours were changed to eastern war time, with opening at 8:30 a. m. instead of an hour earlier and closing at 6:30 p. m. instead of 5, extending by half an hour the time sportsmen may remain in the field.

The tentatively adopted regulations come up for final consideration at the commission's May meeting.

Other hunting dates:

Squirrels—Sept. 22 to 30 inclusive in [illegible] counties and Sept. 15 to 20 in all other counties.

Raccoon—7 p. m. to 7 a. m. Nov. 20 to Jan. 15. This new hunting and trapping schedule eliminates the split season which permitted hunting for two months and trapping for an overlapping 45-day period.

Red fox hunting in unrestricted areas—Nov. 20 to Feb. 1.

Other game—Mink, inland district, Nov. 20 through Jan 15, Lake Erie district, Nov. 20 through March 15; muskrat, inland district, Nov. 20-Jan. 15 inclusive, Lake Erie district, Nov. 20 through March 15; opossum and skunk, Nov. 20-Jan 15, inclusive.

Geauga county was transferred from the inland to the Lake Erie district.

BILLINGS, STEELE TO MEET ON ARMORY WRESTLING PROGRAM

McGee and Jensen, Ross and Venerable Slated To Meet in Prelim.

Promoter Les Fishbaugh of Fremont has a good Nick Billings of Athens, Greece and Jack Steele of Centerville, Ia., for the main-go battle on tonight's Armory wrestling card. The fight will be for the best two out of three falls within a two-hour limit.

Both wrestlers have appeared here on numerous occasions. Billings' last fight here was in a battle royal. He failed to win the six-man free-for-all, but succeeded in beating the highly publicized Farmer Jones of Montgomery county, Ark., in a semi-final bout.

One thing is certain about tonight's main event and that is there will be plenty of fast action and rough maneuvers. Both are junior heavyweights capable of "fire-engine" activity. In almost every match they have appeared in this season the two have resorted to unorthodox ring manners to win. However, percentages show that it is the rough and risky fighter that wins rather than the defensive orthodox mat man.

Tonight's preliminary card is the season's best. Both fights will be for two out of three falls within a 45-minute limit.

Irish McGee of Cedar Rapids, Ia., and Leo Jensen of New Orleans will meet in the first half of the double semi-final slated to start at 8:30.

The second match will pit Tony Ross of El Paso, Tex., against Billy Venerable also of Texas. Ross made his debut here last week defeating Joe Marsh of Toronto, Can.

Promoter Fishbaugh has promised that he will have a new referee tonight even if he has to referee himself.

Snatches of Sports

By HUGH FULLERTON, JR.
Wide World Sports Columnist

NEW YORK, April 23—This Week's Tear-Jerker. While Ed Dudley was attending a dinner thrown for him by Philadelphia golf pros the other night, someone who didn't have the best interests of golf at heart swiped the front wheels from his car. Just before retiring as president of the Los Angeles ball club, Dave Fleming ordered a set of 1942 uniforms for the club to make sure the boys wouldn't be attired in those knitted affairs the Cubs wear. The navy will spend $22,600 for a new gym and $13,000 for a boxing pavilion at St. Mary's college, which already has pretty good athletic facilities. That ought to give you an idea of what part sports will have in preparing the boys to become fliers. Since he quit baseball, Hack Wilson has shed 20 pounds.

* * *

Postman's Paragraph—A correspondent from Lexington, Ky. (we think he'd be safer to remain anonymous) professes to be worried about one possible effect of the dropping of football by many small colleges. Where, he asks, will Tennessee find "breather" opponents to play every other Saturday."

BIERMAN ADVOCATES BIG SPORTS PROGRAM

Discusses Navy's Physical Education Program.

By The Associated Press

COLUMBUS, O., April 23— Maj. Bernard W. Bierman, Minnesota gridiron coach acting as navy physical education director, asserts that "whether we like it or not, our enemy was tougher and had more stamina than we had at the outbreak of the war."

Not enough Americans participated in athletics before the war, Bierman commented last night at a dinner for the Columbus Red Birds, here for their first home game of the season today.

"Certainly we had athletics to toughen and harden us," he asserted. "Unfortunately our athletic program has not reached enough people."

"Axis nations, however, have been conditioning themselves in competitive sports since 1930," he asserted.

Bierman, who will take over Monday as director of athletics at the naval pre-flight training school at Iowa City, Ia., said a "most strenuous conditioning program" is planned for cadets.

Four Derby Colts Run in Keeneland Test Today

By The Associated Press

LEXINGTON, Ky., April 23 — Keeneland's customers were offered an abbreviated field of four colts today in the Blue Grass Stakes, the track's premier Kentucky Derby test.

Named for the $10,000 added mile and a furlong event, the feature of Keeneland's closing day, were Col. E. R. Bradley's Bless Me, Hal Price Headley's Equinox, and Mrs. Payne Whitney's Devil Diver and Shut Out.

Of this quartet of Derby hopefuls Bless Me and Devil Diver were getting the big eye.

Coast Guard Cards Needed To Operate Lake Vessels

Federal Service in Charge of Issuance of Identification Passes; Regulations Listed.

Marion residents planning fishing trips to Lake Erie and other federal-controlled bodies of water this summer will save considerable time by taking cognizance of rules of the U. S. Coast Guard which will require many of them to display Coast Guard identification cards if they desire to enjoy the sport to its fullest extent.

A sportsman does not need a card to do the following things:

1. To rent a waterfront cottage, cabin or live in a camp.
2. To bathe on any public or private beach.
3. To ride on a passenger boat.
4. To charter a boat which has an "identified" captain in charge, such as the owner of the boat or an employe of the owner.
5. To go out on a reef fishing boat, which has an "identified" captain in charge.
6. To be a casual guest on a private yacht.
7. To fish from the bank of a river, bay or lake, ocean or gulf.
8. To fish from a private or public dock.

It is evident from the above stipulations that many persons can easily do without a card.

A sportsman does need a card to do the following:

1. If he owns any kind of a boat, sailboat, cruiser, rowboat, motorboat, outboard, canoe, tub or raft, or anything that floats.
2. If he desires to rent any of the above types of boats. Note that this includes a rowboat or a canoe.
3. A boat livery cannot rent a rowboat or other vessel unless one of the occupants of the boat possesses and shows a Coast Guard identification card. The card holder automatically becomes responsible and must vouch for the other passengers in the craft. The passengers are not required to have cards.

Failure of the liveryman to observe the above requirement can and may result in tying up all of the boats in the livery by government officials. The applicant for a boat rental may be required by the liveryman to sign his register of rentals.

The essentials of the ruling are that every boat must have a captain and he must have a Coast Guard identification card. He may invite his relatives, friends or companions to be his passengers and they are not required to have cards.

How to secure an identification card:

1. You will need two identical "passport photos," size 1½ inch by 1½ inch, no larger, no smaller. This must be a front view, without hat and showing both shoulders.
2. Secure your birth certificate, baptismal certificate or if these are not available your county department of vital statistics or probate court may be able to provide you with an affidavit equally substantiating.
3. Now proceed to the coastal area. Contact an endorsing officer to secure and make out application for an identification card. The endorsing officer will ask to see a lodge card or other proof that you are the person making application.
4. Now take your birth certificate (or other substantiating proof) and your application blank to the Coast Guard station at Marblehead, where you will be fingerprinted and officials will examine your application and credentials. If found in proper order your papers will be forwarded by the Coast Guard to the area office. You will be told when to return to receive your card. It will take ten days. Cards will not be mailed and applications for cards will not be accepted through the mails.

Rationing of firewood and [illegible] coal for use in gas-propelled automobiles has recently been made effective in Italy.

A sizeable shark fishing industry for the extraction of livers has been developed on the west coast of Mexico.

BREWERS PRODUCE NEW HERO DAILY

Manager's Slogan Clicks; Result Is 6 Straight Wins.

By The Associated Press

Milwaukee's undefeated American association leaders are going high on the motto, "a new hero every day."

Manager Charley Grimm originated the slogan. And the battling Brewers have substantiated it with a six-game winning streak.

Pitchers had been monopolizing hero honors until Sunday. Then the sluggers took over.

First it was Hal Peck. His hitting sparked the winning rally in the first game of Sunday's doubleheader with Minneapolis. His homer clinched the second.

The next day it was Heinz Becker. His homer broke up a 13-inning battle.

Tuesday it was Third Baseman Grey Clarke. His triple in the 10th won the game.

Lew Novikoff, Prize 1941 Flop, May Make Major League Grade This Year

Cub Manager Jimmy Wilson Says Last Year's Rookie Sensation To Win Regular Berth.

By The Associated Press

PITTSBURGH—Lou Novikoff, last year's prize bust, is back for another whack at baseball's big show and Manager Jimmy Wilson thinks he may make good this time because the publicity heat is off.

Lou, a stocky, likeable guy with a wide smile, a priceless dialect and a murderous bat—at least in the minors — came up from the Pacific Coast league to the Chicago Cubs last year under one of the heaviest deluges of superlatives ever showered on an untested major league rookie.

He was described as the kid who couldn't miss—but he did. Wilson, who knows a ball player when he sees one, thinks the preliminary press notices hurt Lou.

"I think the kid was nervous and tightened up trying to live up to all the things they said about him," Jimmy commented as he watched Novikoff pole out a long smash from the batting cage.

After hitting only .241 in 62 games for the Cubs last year when he expected to hit at least .300, Novikoff was farmed out to Milwaukee in the American Association. There he tore the league's pitchers apart and scattered the teams everywhere, leading the league with a .370 average in 90 games.

In his second try with the Cubs, Lou has only four hits in 14 trips for a .285 average—but the season has barely drawn its first breath and the modest start may help Novikoff, Wilson thinks.

"I haven't done anything to change his batting style—I don't have to," he said. "The kid can hit and I think he'll prove it if he isn't expected to burn up the league."

NO CUFFS? NO PATCH POCKETS? NO VESTS?

So What!

We're prepared to do without anything — to help win this war, aren't we? Anyway, for years many well dressed men have had their suits custom-made without these very details. So here's looking at your next new suit!

This is no urge to make you run out and buy a suit, unless you need one. There's nothing obsolete about the suits you now own —that's how imperceptible the curtailment changes are. The big thing to keep in mind is that those changes are being made to make possible the savings of yardage needed for war purposes. And the only things you should run out and buy—and keep buying —are U. S. War Savings Stamps and Bonds!

WANT ADS
The Marion Star

DIAL 2314

LOCAL WANT AD RATES

	1 Time	3 Times	6 Times
Three lines	27c	72c	$1.26
Each extra line	11c	24c	42c

Minimum charge three lines.

Ads not ordered for consecutive insertions will be charged at the one time rate, each time.

In figuring ads allow five 6-letter words to a line.

Charged ads in Marion and Marion rural routes only will be received by telephone.

Ads ordered for three or six days and stopped before expiration will only be charged for the number of times the ad appeared and adjustment made at the rate earned.

Errors in want ads will be corrected and an extra insertion given only when notification is made before the second insertion.

Closing Time for Transient Classified Advertisements Is 11 A. M. the Day of Publication.

The Gumps

By Gus Edson

FERRETT! SO YOU GOT THE GUY WHO STOLE MY RUBY?! WHERE IS HE? HOW'D YOU NAB HIM?
SH—EASY, GUMP! HE MIGHT HEAR YOU—HE'S NOT A BAD SORT— HE PROPOSES THAT YOU EACH SHARE THE RUBY!
MEET MR. BRANGWYN BINKELDUNK, MR. GUMP—
FERRETT DETECTIVE AGENCY
BINKELDUNK? THAT'S THE NAME OF THE MAN WHO FORMERLY OWNED MY MUMMY!
RIGHT, MR. GUMP! MY LATE UNCLE, SANGUS BINKELDUNK—
I'M THE ONLY ONE OF THE FAMILY WHO KNEW THAT THE OLD BOY OWNED THE RUBY, AND THAT HE HAD IT HIDDEN IN THE MUMMY CASE—BUT I ARRIVED TOO LATE TO BID IT IN AT THE AUCTION—
THEN YOU MUST BE THE MAN WITH THE TWO LEFT FEET! WHERE'S THE RUBY?
YOU'VE GOT IT!!

MARKET AGAIN MOVES LOWER

Decline Resumed After Four Sessions of Comparative Steadiness.

By The Associated Press

NEW YORK, April 23 — The stock market resumed its long decline today after four sessions of comparative steadiness. Leading issues fell fractions to around 2 points.

Selling activities dominated the list. Offerings of the top ranking industrial shares were prompted, brokers reported, by Washington hints that taxation, in connection with proposed inflation controls, would approach confiscatory limits.

Several pivotals retreated to new lows for a year or longer and near the fourth hour only a scattering of issues showed resistance to the downward trend.

American Telephone, U. S. Steel and Standard Oil (NJ) registered new bottoms. Also under pressure were Chrysler, Sears Roebuck, Montgomery Ward, Western Union, Dupont, Eastman and General Electric. Rails were down fractions.

In the stock exchange the action pointed to a further trimming of speculative commitments not only because of tax fears but also as a safeguard against market unsettlement which might follow price freezing orders and other measures contemplated by the government to prevent dangerous inflation.

Oils were hit by the gasoline rationing decreed by office of price administration for 17 eastern states and the District of Columbia.

And intrepid courage is, at best, but a holiday kind of virtue, to be seldom exercised, and never, but in cases of necessity; affability, mildness, tenderness, and a word which I would fain bring back to its original signification of virtue—I mean good nature—are of daily use; they are the bread of mankind, and staff of life.—(Dryden)

A strange alternative—Must women have a doctor or a dance?—(Young)

LOSSES END GRAIN TRY AT RECOVERY

By The Associated Press

CHICAGO, April 23—Losses of a cent a bushel or more in grain futures and about 3 cents in soybeans today brought to an abrupt halt the market's slow recovery during the first half of the week.

Soybeans dropped 3 cents soon after the opening, due to indications that there will be no upward revision of fats and oil price ceilings, and this unsettled grains. Later, it became apparent that milling and flour trade support was not in evidence in the wheat pit as it had been earlier in the week. The favorable crop outlook, scarcity of storage space and uneasiness pending presidential statements on the anti-inflation program were bearish factors.

Child Feeding

THE GREATEST feeding problem in children is lack of appetite. In private families who have a large variety of food, it is estimated that from 10 to 20 per cent at least of the children between the ages of two to five years have to be coaxed to eat. Some pediatricians have reported it as high as from 50 to 80 per cent.

A prominent pediatrician reports: "With all our weighing and measuring, and all our rules and regulations as to when, where, what and how much to feed children we have succeeded in doing just one thing—we have taken their appetite away." This occurs indiscriminately, whether children are in good condition of nutrition or not. In fact, the principle cause seems to be a psychological factor of over anxiety on the part of the parents to see the child stuff itself.

Certain fundamental principles in regard to children's diet should be kept in mind: a child needs about one gram of protein per pound of ideal body weight a day. According to this, a 10-year-old child would require approximately 70 grams of protein daily.

One quart of milk will supply half of this, an average serving of lean meat will furnish 12 to 18 grams of protein, an egg, six grams, a large dish of oatmeal, about four grams, and three slices of bread, about three grams. This will total the desired amount. Sugar and starches are a ready source of energy and are useful for general body activity. The calcium requirement is estimated at one gram per day. This may be obtained from one quart of milk.

It was found by Dr. Clara Davis of Chicao, that when she started with infants who were eight months old and who had been exclusively breast fed that if they were allowed to select their own diet from a table covered with cooked and raw foods, they did very well. They indicated the foods they wanted by pointing to them. They very seldom mixed foods and never added sugar although it was on the tray.

A one-year-old child often drank a quart of milk at the noon meal in addition to other food. The diet selected was quite variable and in direct contrast to our usual conception of a standard daily diet. Their protein and fat intake per pound of body weight was higher and the sugar and starch intake lower according to accepted standards. They gained weight rapidly, but none of them became overweight. They never complained of lack of appetite or constipation and their blood count was higher than the average for children of the same age.

These experiments indicate that under natural conditions children select what foods they need and probably do better than under the fussy direction and instruction they get at home.

We do not realize how much of our eating is a habit. There is no reason why we should eat three meals a day. In England adults eat five meals a day and are dissatisfied if that schedule is interrupted. Children will eat when they get hungry and one of the best slogans which every parent should know and use for guidance is: "Never coax and never urge your child to eat."

Children should feed themselves at the age of 14 months. After they have begun to do that, the parents should never attempt to assist them.

Pitfalls of Love

By ADELE GARRISON

> Madge Consults Captain of Troopers, Who Says She Can Take Gangster Prisoners to New York.

I NEVER have been more "put to it," as Mrs. Ticer would say, than I was to force my voice to calmness as I answered Gus. I did not mind my father's faithful helper knowing that I was agitated, but I did not wish the head of the state troopers to guess how perturbed I was, or that I had made any upsetting discovery.

I employed the first device which came into my mind, a violent coughing fit, and waited for a second before calling out raspingly and unsteadily:

"I'll be out directly. Something just caught in my throat, but I'll be all right."

"Don't try to talk!" Gus adjured me, and the captain of the troopers added an encouraging "Take your time."

Silent About Her Discovery

I obeyed him for the seconds it took to bring up from the hidden cavity the carved ivory cube so familiar to me, secrete it in a silken handkerchief folded in a jewel case which I always carry in my purse, then replace the floor panel concealing the cavity and roll the rug over it again. One last second I spent in bracing myself to appear calm and collected, then opened the door.

"I am so sorry to keep you waiting," I told the head of the troopers with earnestness, and he smiled widely at me.

"You didn't keep me," he said, "and if you had, it would be all right. Now—"

He did not add "What's on your mind?" but I understood the unspoken query and hastened to answer it, thrusting deep under cover all thought of the carved ivory cube until I should have leisure to consider its startling implications.

Taking No Chances

"Mr. Watson tells me, Captain," I began, "that you are planning to drive directly to a hospital with these men."

He looked at me shrewdly.

"I was," he said. "In fact, I've got to take my own man here as soon as possible. Apparently he's not seriously hurt, but I don't want to take any chances on him."

"Of course not," I said, "and I am so sorry he should have been hurt on account of a call from me."

"It's all in the day's work," he said. "We have to expect that sort of thing. But—have you any other plan for those men we've got tied up out there?"

"Why, yes, I have," I admitted. "If my father approves—I'm going to call him directly—I'd like to take all of those men down to New York with me, so that he can deal with them himself. But of course I cannot do that if there is danger that death or serious infection might result from delaying surgical treatment."

Gangsters Not Badly Hurt

"You don't need to worry on that score," the captain returned. "They're not badly hurt, any of them, although two of them will be out of commission for awhile. But it will be perfectly safe for you to take them down to New York. How are you going to transport them? In their own car?"

"Yes, if you approve," I told him, trying to be tactful. "We have an extra man who can drive their car."

"I can spare you a man to help guard them," he said, "and then you wouldn't have to waste time going past the hospital. You could go your way and we would go ours."

"That would be splendid," I told him, and then he hesitatingly made another suggestion.

Suggest Taking Watson

"Those are pretty tough babies," he said, "and Watson tells me you have also the two who were here tied up in Branchman's car."

"That's right," I assented.

"That makes six desperate men to look after, even if they are all tied up securely," he said slowly. "As I said, I can furnish you one man, but you really ought to have another one beside the driver."

"Whom would you suggest?" I asked, as he paused again.

"He isn't a police officer," he said, "but he's a mighty good man in a pinch—Jim Watson. And I happen to know that he'd jump at a chance to go to New York on an errand like this."

Rebekah Lodges Meet with Group in Morral

Special to The Star

MORRAL — A get-together meeting of the district lodges was held Monday night with the Crystal Rock Rebekah lodge here. The program included a playlet by Annabelle Granlee and Doris Ulmer; an instrumental solo by Mary Louise Cook; quartet, Grace Hughes, Barbara Anderson, Mary James and Norma Christiansen; play, Salt Rock grange; clarinet solo, Doris Ulmer.

Besides Morral lodges representer were Wayside Rose and Sosnowski of Marion, Marseilles, Agosta and Harpster.

The Wayside Rose Lodge won the prize for having the largest number of members present. Refreshments were served to 71. The next meeting will be in May with the Marseilles lodge.

Daily Pattern For Home Use

By ANNE ADAMS

Anne Adams shows you how to help Uncle Sam conserve fabric, with Pattern 4053. Its simple design and skillful pattern layout require the minimum of fabric. Size 16 dress takes only 2½ yards 35-inch fabric! A contrast bolero can be made from one yard more.

Pattern 4053 is available in misses' sizes 12, 14, 16, 18 and 20.

Send fifteen cents (plus one cent to cover the cost of mailing) for this Anne Adams pattern. Write plainly size, name, address and style number.

ANNOUNCING—our Summer 1942 Pattern Book—just off the press! A complete wardrobe plan for your new "dual" life, with tailoreds, sheets, cottons; evening and bridal wear, play outfits. Yours for ten cents!

Send your order to The Marion Star, Pattern Department, 243 West 17th St., New York, N. Y.

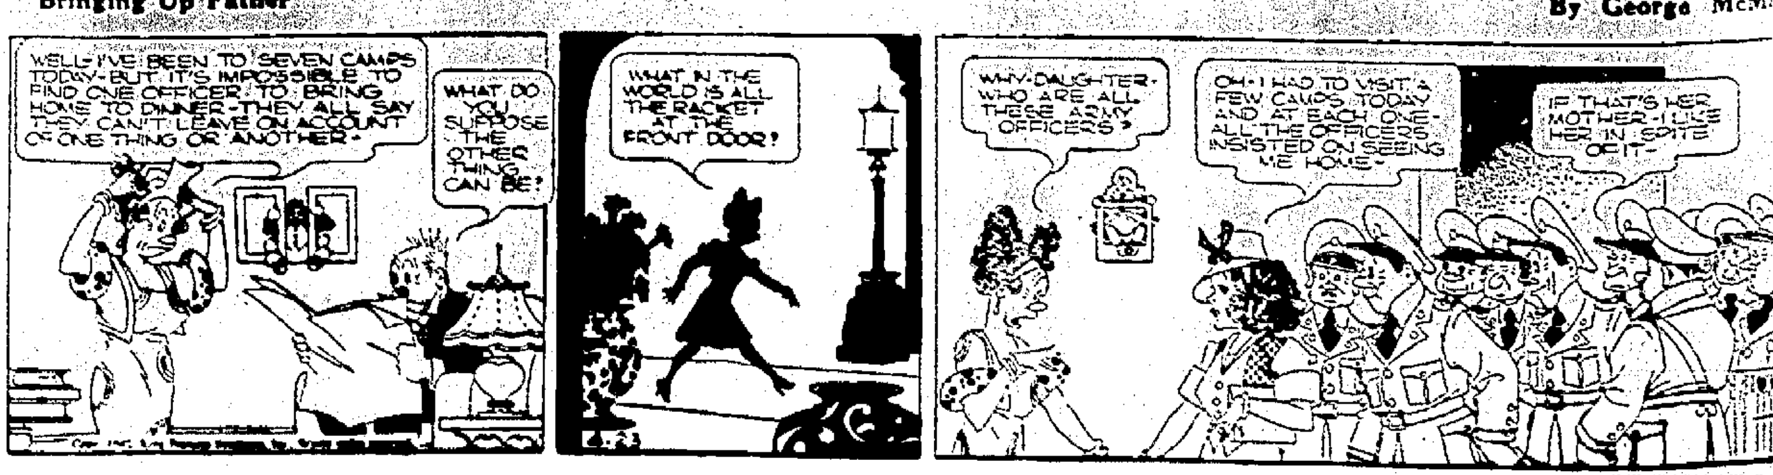
Bringing Up Father By George McM



WELL— I'VE BEEN TO SEVEN CAMPS TODAY— BUT IT'S IMPOSSIBLE TO FIND ONE OFFICER TO BRING HOME TO DINNER— THEY ALL SAY THEY CAN'T LEAVE ON ACCOUNT OF ONE THING OR ANOTHER—
WHAT DO YOU SUPPOSE THE OTHER THING CAN BE?
WHAT IN THE WORLD IS ALL THE RACKET AT THE FRONT DOOR?
4-23
WHY— DAUGHTER— WHO ARE ALL THESE ARMY OFFICERS?
OH— I HAD TO VISIT A FEW CAMPS TODAY AND AT EACH ONE— ALL THE OFFICERS INSISTED ON SEEING ME HOME—
IF THAT'S HER MOTHER— I LIKE HER IN SPITE OF IT—

Galion Will Employ Engineer on Project

Special to The Star

GALION, April 23—Mayor William Amann announced Wednesday that the city of Galion will employ a civil engineer to work with the New York Central engineers in the construction of the proposed reservoir east of the city.

The mayor said that he had conferred with railroad officials and as the proposal now stands, it would seem advisable for the railroad to construct the reservoir, giving Galion the right to share the water supply.

Ambulance Corps for Women May Be Formed Here

A women's ambulance corps to further the civilian defense effort in Marion will be organized if enough women are interested.

The announcement was made today by George D. Hildebrandt, head of the civilian military training program.

In recent weeks he said he has had calls from a number of women anxious to have an ambulance corps.

To test whether the number interested is large enough to warrant organizing a corps, he has asked that women who would like to serve write him at 139 East Church street, giving their names, addresses and telephone numbers.

An 18 to 35 age limit should be made in organizing a corps, according to Mr. Hildebrandt.

Before formal organization can be considered at least 40 women must express a willingness to enter training.

Mr. Hildebrandt said the ambulance corps would be required to drill, march and take physical exercises to fit them for service for all types of ambulance and courier work.

He said the corps would be assigned to the Marion Rifles, the men's military organization, and eventually would go into uniform.

Crawford Co. Boards Plan for Registration

Special to The Star

BUCYRUS, April 23—Crawford county's two draft boards Wednesday announced plans for the week-end registration for draft of men between 45 and 64 years of age.

Registration for the Bucyrus board will, as in other registrations, be held at the armory beginning at 6 p. m. Saturday and from noon Sunday to 6 p. m. and from 7 a. m. to 9 p. m. Monday.

The county board will receive registrations at all of the rural and at Galion and Crestline schools.

Hours at Galion and Crestline day and from 7 a. m. to 6 p. m. Sunday and from a. m. to 9 p. m. Monday and the rural school hours will be 7 a. m. to 9 p. m. Monday only.

Church Worker Speaks at Caledonia Meeting

CALEDONIA—Miss Edna P. Bruner of Boston, Mass., a field-worker for Universalist church met with the parish here Tuesday. A potluck supper was served. Miss Bruner addressed the group.

* * *

Nearly 30 members and friends of the Universalist church met at the A. E. Monnett home Friday in honor of Mr. and Mrs. Monnett. They are moving to Marion.

TO MEET AT ASHLEY

A meeting of the Ashley Townsend club will be held tonight in the township hall at Ashley, with Rev. Strickland of Columbus as the guest speaker. A social feature will be a supper at 8 o'clock.

A self-contained soldering tool that holds enough solder for one operation and supplies its own heat has been invented by a Chicago man to splice electric wires.

Caledonia News

CALEDONIA — Miss Margie Hart of Shelby spent the week-end with Miss Virginia Williams.

Mrs. Ella Kinnamon and Mr. and Mrs. S. R. Kinnamon attended the funeral of Mrs. Laura Campbell last Thursday at Lexington. Mrs. Campbell was a life-long friend and schoolmate of Mrs. Ella Kinnamon.

Mrs. Oral Garber and Miss Ethel Porter spent the week-end with Mr. and Mrs. Newell Kannoff at Centerburg.

Rollin Timson of Osborne spent the week-end with his parents, Mr. and Mrs. D. A. Timson.

Mr. and Mrs. Clifford Craft and family and Mr. and Mrs. Roy Howell of Marion were Sunday guests at the LeRoy Redman home.

Mr. and Mrs. Scott Kinnamon and Mrs. Ella B. Kinnamon spent Friday in Columbus.

J. J. Hoover of Lima is spending two weeks with Mr. and Mrs. H. J. Kightlinger.

Misses Cathrine and Dorothy Robertson and Miss Geneva Banick of Westerville spent the week-end at the S. P. Robertson home.

Mrs. O. M. Mills accompanied by Mrs. Glen Burton spent the week-end with Mrs. Howard Machel at St. Paris.

Mr. and Mrs. F. E. Beyer spent Sunday with Mrs. Lucy Beyer at Butler.

According to the American Gas association smoke costs the United States $2,500,000,000 a year in incomplete fuel combustion and cleaning bills.

Plans Made For Final Concert of Civic Orchestra

Final rehearsals are being held and plans completed for the third and last concert to be presented this season by the Marion Civic orchestra, Tuesday night at the Thomas A. Edison Junior High school.

For those wishing to make ticket reservations for the concert tickets will be on sale and reservations made Saturday from 12 to 3 p. m. at the record department in the H. Schaffner Co. furniture store on South Main street, Miss Philomen Gregg, ticket chairman, announces.

Tickets also may be obtained from members of the Woman's Symphony Board of which Mrs. E. H. Moore is president, sponsors of the concert series.

Espyville News

ESPYVILLE — Mrs. Elizabeth Wyatt spent Monday with her parents Mr. and Mrs. Asa Titus in Marion.

Rev. James Strawser and son of Columbus, Mr. and Mrs. Billie Howard of Marion spent Sunday with Mr. and Mrs. Wayne Coulson.

Mrs. Fred Baker of near Agosta visited Monday with Mrs. Mabel Riley.

For holding plates on shelves a new device has rubber teeth that grip plates of all sizes securely.

Officers Selected By Martel P.-T. A. Group

Officers were elected and plans made for a community picnic dinner on May 1 at the last meeting of the season for the Martel P.-T. A. Tuesday night at the school. Mrs. Ralph Roesch was elected president; Mrs. Clarence Price, vice president; Mrs. Eugene Winters, secretary and Mrs. Ray Lyon, treasurer. The newly-elected officers will be in charge of the community dinner.

Approximately 100 persons attended. Honors for having the largest number of parents in attendance during the year were won by the fifth and sixth grade rooms.

Pupils of the first through the sixth grades provided chorus numbers for the program and two one-act plays were given by the high school pupils under the supervision of Misses Jane Stewart and Marjorie Blubm. Taking part were Mildred Valentine, Virginia Peery, Betty Stinebelter, Martha Weidamaier, Pearl Black, Mae Reece, Joyce Roesch, Jean Weidamier, Rose Mary Weirick, Betty Loyer, Robert Nikum, John Martin, Wesley Sulser and John Winters.

The baccalaureate services will be held Sunday night in the school auditorium.
